Washington A Life By Ron Chernow

Eric Braun

Washington A Life By Ron Chernow:

Washington Ron Chernow,2010-12-02 The celebrated Ron Chernow provides a richly nuanced portrait of the first President of the USA and the father of America With a breadth and depth matched by no other one volume life he carries the reader through Washington s troubled boyhood his precocious feats in the French and Indian Wars his creation of Mount Vernon his heroic exploits with the Continental Army his presiding over the Constitutional Convention and his magnificent performance as America s first president Despite the reverence his name inspires Washington remains a waxwork to many readers seen as a laconic man of self control arousing more respect than affection But in this groundbreaking work Chernow revises forever the uninspiring stereotype He portrays Washington as a strapping celebrated horseman elegant dancer and tireless hunter who guarded his emotional life with intriguing ferocity Chernow brings to life a passionate man of fiery opinions He also provides a portrait of his private life and his complex behaviour as a slave master At the same time Washington is an astute and surprising depiction of a canny operator In the world of politics who knew how to inspire loyalty Not only did Washington gather around himself the foremost figures of the age including James Madison Alexander Hamilton John Adams and Thomas Jefferson he brilliantly orchestrated their actions to help realise his vision for the new federal government define the separation of powers and establish the office of the presidency Ron Chernow takes us on a page turning journey through all the formative events of America s founding This is a magisterial work from one of America s foremost writers and historians

Summary Ron Chernow's Washington Ant Hive Media,2016-10-03 This is a Summary of Ron Chernow s Washington A Life Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States With a breadth and depth matched by no other one volume biography of George Washington this crisply paced narrative carries the reader through his adventurous early years his heroic exploits with the Continental Army during the Revolutionary War his presiding over the Constitutional Convention and his magnificent performance as America s first president In this groundbreaking work based on massive research Chernow shatters forever the stereotype of George Washington as a stolid unemotional figure and brings to vivid life a dashing passionate man of fiery opinions and many moods Available in a variety of formats this summary is aimed for those who want to capture the gist of the book but don t have the current time to devour all 928 pages You get the main summary along with all of the benefits and lessons the actual book has to offer This summary is intended to be used with reference to the original book

Washington by Ron Chernow | Summary & Analysis Instaread, [Washington](#) Ron Chernow,2011-09-27 From the author of Alexander Hamilton the New York Times bestselling biography that inspired the musical comes a gripping portrait of the first president of the United States Winner of the 2011 Pulitzer Prize for Biography Truly magnificent a well researched well written and absolutely definitive biography Andrew Roberts The Wall Street Journal Until recently I d never believed that there could be such a thing as a truly gripping biography of George Washington Well I was wrong I can t

recommend it highly enough as history as epic and not least as entertainment Hendrik Hertzberg The New Yorker Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States With a breadth and depth matched by no other one volume biography of George Washington this crisply paced narrative carries the reader through his adventurous early years his heroic exploits with the Continental Army during the Revolutionary War his presiding over the Constitutional Convention and his magnificent performance as America's first president In this groundbreaking work based on massive research Chernow shatters forever the stereotype of George Washington as a stolid unemotional figure and brings to vivid life a dashing passionate man of fiery opinions and many moods Lin Manuel Miranda's smash Broadway musical Hamilton has sparked new interest in the Revolutionary War and the Founding Fathers In addition to Alexander Hamilton the production also features George Washington Thomas Jefferson James Madison Aaron Burr Lafayette and many more

Summary of Washington Instaread, 2016-06-19 Summary of Washington by Ron Chernow Includes Analysis Preview Ron Chernow's 2010 biography Washington A Life is a Pulitzer Prize winning account of George Washington's life from birth to death It is based on newly available archival material from the most recent edition of Washington's papers which allows Chernow to focus on Washington as a public and especially as a private figure For example the biography dwells on Washington's relationship with his difficult mother Mary Washington was known for his tight self control and his refusal to show emotions Beneath his calm exterior however he was a man of strong passions When he exploded at his subordinates his fury was great He also was a man of powerful ambitions who valued and defended his reputation for honor and probity Washington was born to a landowning Virginia family but not into wealth circumstances that distinguished him from wealthier and well to do founders such as John Adams and Thomas Jefferson Mary Ball Washington raised

Women of the American Revolution Samantha Wilcoxson, 2022-10-20 This diverse collection of profiles on women who had an impact on the revolution offers a rare window into the female experience of the burgeoning nation Women of the American Revolution explores the trials of war and daily life for women in the United States during the War of Independence Many names will be familiar such as Martha Washington who traveled to winter camps to care for her husband and rally the troops and Abigail Adams who ran the family's farms and raised children during John's long absences Others are forgotten legends like the mysterious spy Agent 355 or sixteen year old Sybil Ludington who was said to make an all night ride to rally American forces Not all American women served the side of the revolutionaries Peggy Shippen gambled on the loyalist side and paid severe consequences From early historian Mercy Otis Warren to Dolley Madison who defined what it means to be an American First

Lady women of the American Revolution strived to do more than they had previously thought possible during a time of hardship and civil war

George Washington Kevin J. Hayes,2017-04-03 Revered as a general and trusted as America's first elected leader George Washington is considered a great many things in the contemporary imagination but an intellectual is not one of them In correcting this longstanding misconception George Washington A Life in Books offers a stimulating literary biography that traces the effects of a life spent in self improvement

The Indian World of George Washington Colin Gordon Calloway,2018 The Indian World of George Washington offers a fresh portrait of the most revered American and the Native Americans whose story has been only partially told

Washington's Lieutenants Douglas M. Branson,2025-09-02 Meet the bold the brilliant and the blundering Washington's Lieutenants tells the untold story of the generals who won and lost the Revolutionary War As commander in chief of the Continental Army George Washington developed the strategy that won the Revolutionary War but while Washington directed some battles his strategy for the most part was carried out and most battles were won or lost by his subordinates major and brigadier generals of varying background experience and ability In the spirit of the best military history and biography Washington's Lieutenants tells the story of the generals who served under Washington from 1775 to 1781 Based on extensive research in a variety of sources the book finds the brigadier generals a laudable group of commanders Hugh Mercer for instance played a pivotal role in the surprise crossing of the Delaware in December 1776 and was bayoneted during the Battle of Princeton a week later Clergyman turned soldier Peter Muhlenberg led a Virginia Line brigade at Brandywine Germantown Monmouth and Yorktown A quarter of all brigadiers died in the service of the new nation Although some stood out for their military skill battlefield bravery and loyalty to Washington the major generals as a whole were disappointing marked by the pursuit of their own military and political ambitions and by a penchant for infighting and bickering Only three served for the war's duration including the great Nathanael Greene and Henry Knox Ten resigned Benedict Arnold turned coat At least three were involved in the so called Conway Cabal of 1777-78 to oust General Washington In the southern theater Robert Howe womanized argued with local leaders to the point of dueling and ultimately botched the defense of Savannah The controversial Horatio Gates self proclaimed victor of Saratoga was accused of cowardice at the Battle of Camden South Carolina At once entertaining reading about some of the Revolutionary War's most colorful military commanders and an insightful analysis of how the young nation fought for its independence Washington's Lieutenants will be essential reading during the war's 250th anniversary and beyond

The Real George Washington Eric Braun,2019

George Washington Agnieszka Biskup,2012-07 Describes the life of George Washington focusing on his service during the Revolutionary War and his presidential inauguration Provided by publisher

Jews and American Public Life David G. Dalin,2022-05-24 Over a career spanning forty years David G Dalin has written extensively about the role of American Jews in public life from the nation's founding to presidential appointments of Jews to lobbying for the welfare of Jews abroad to Jewish prominence in government philanthropy intellectual life and sports

and their one time prominence in the Republican Party His work on the separation of Church and State and a prescient 1980 essay about the limits of free speech and the goal of Neo Nazis to stage a march in Skokie Illinois are especially noteworthy Here for the first time are a collection of sixteen of his essays which portray American Jews who have left their mark on American public life and politics

The Power of the Herd Linda Kohanov,2015-07-20 Linda Kohanov is beloved for her groundbreaking articulation of the way of the horse an experiential wisdom known to riders for centuries but little studied or adapted to off horse use Now Kohanov takes those horse inspired insights on the nonverbal elements of exceptional communication and leadership into the realms of our workplaces and relationships Here we explore the benefits of nonpredatory power in developing assertiveness fostering creativity dealing with conflict and heightening mind body awareness In A Brief History of Power the first part of this far reaching book Kohanov profiles cultural innovators who employed extraordinary nonverbal leadership skills to change history usually on horseback Winston Churchill George Washington Alexander the Great and Siddhartha Gautama the Buddha among others She also draws on the behavior of mature horse herds as well as the herding cultures of Africa and Mongolia to debunk theories of dominance hierarchies challenge ingrained notions of survival of the fittest and demonstrate the power of a consensual leadership in which governing roles are fluid Kohanov then adapts these lessons into twelve powerful guiding principles we can all incorporate into our work and personal lives Eloquent and provocative this is horse sense for everyone who seeks to thrive in the herds we all run in our communities careers families and friendships

George Washington Parke Custis Charles S. Clark,2021-09-07 George Washington Parke Custis 1781 1857 was raised at Mount Vernon by George and Martha Washington Young Wash appears in Savage s 1789 painting of the first presidential family his small hand placed symbolically on a globe He would later make his mark on the national landscape by building Arlington House on the Potomac A poor student he emerged as an agricultural reformer and sought after Federalist orator He championed the plights of Irish Americans and war veterans An important memoirist he wrote well received theatrical works and produced paintings rich in historical detail Inheriting much of the vast Custis fortune he also became the enslaver of more than 200 people The slow march toward their emancipation became the central struggle of his life particularly after his daughter s 1831 marriage to Robert E Lee This first full length biography of Custis offers a 21st century reappraisal of life that dramatically bridged the American Revolution and the Civil War

Presidents: United In Leadership A.J.Kingston,2023 Are you a history buff a lover of American politics or simply looking to gain insight into the lives and legacies of four of America s most iconic presidents Look no further than Presidents United in Leadership a four book bundle that takes you on a journey through the lives of George Washington Abraham Lincoln Franklin D Roosevelt and John F Kennedy Each book in this bundle offers a unique perspective on the challenges and opportunities that these leaders faced and how they overcame them through their courage determination compassion and innovation From Washington s role as a revolutionary hero and nation builder to

Lincoln's impact on American society and the preservation of the Union to Roosevelt's leadership during World War II and his efforts to establish a modern welfare state to Kennedy's vision for a new frontier and his enduring legacy of progress and social justice each president's story is a compelling example of leadership and inspiration With *Presidents United in Leadership* you'll gain a deeper understanding of the qualities and characteristics that define great leadership and how these presidents shaped America's destiny through their actions and decisions Whether you're a student of history or simply looking to gain insight into the stories of these remarkable leaders this bundle is the perfect choice So why wait Order your copy of *Presidents United in Leadership* today and experience the power and inspiration of these iconic leaders for yourself

The Permanent Resident Philip Levy, 2022-07-27 No figure in American history has generated more public interest or sustained more scholarly research around his various homes and habitations than has George Washington *The Permanent Resident* is the first book to bring the principal archaeological sites of Washington's life together under one cover revealing what they say individually and collectively about Washington's life and career and how Americans have continued to invest these places with meaning Philip Levy begins with Washington's birthplace in Westmoreland County Virginia then moves to Ferry Farm site of the mythical cherry tree before following Washington to Barbados to examine how his only trip outside the continental United States both shaped him and lingered in local memory The book then profiles the site of Washington's first military engagement and his nation making stay in Philadelphia From archaeological study of Mount Vernon Levy also derives fascinating insights about how slavery changed and was debated at Washington's famous home Levy considers the fates of Washington statues and commemorations to understand how they have functioned as objects of veneration and sometimes vandalism for more than a century and a half Two hundred years after his death at the sites of his many abodes Washington remains an inescapable presence *The Permanent Resident* guides us through the places where Washington lived and in which Americans have memorialized him speaking to issues that have defined and challenged America from his time to our own

Washington & Napoleon Matthew J. Flynn, Stephen E. Griffin, 2012 Two political and military giants compared

Revolutionary Medicine Jeanne E Abrams, 2013-09-13 An engaging history of the role that George Washington Thomas Jefferson and Benjamin Franklin played in the origins of public health in America Before the advent of modern antibiotics one's life could be abruptly shattered by contagion and death and debility from infectious diseases and epidemics was commonplace for early Americans regardless of social status Concerns over health affected the Founding Fathers and their families as it did slaves merchants immigrants and everyone else in North America As both victims of illness and national leaders the Founders occupied a unique position regarding the development of public health in America Historian Jeanne E Abrams's *Revolutionary Medicine* refocuses the study of the lives of George and Martha Washington Benjamin Franklin Thomas Jefferson John and Abigail Adams and James and Dolley Madison away from politics to the perspective of sickness health and medicine For the Founders republican ideals fostered a reciprocal connection between individual health and the

health of the nation Studying the encounters of these American Founders with illness and disease as well as their viewpoints about good health not only provides a richer and more nuanced insight into their lives but also opens a window into the practice of medicine in the eighteenth century which is at once intimate personal and first hand Today s American public health initiatives have their roots in the work of America s Founders for they recognized early on that government had compelling reasons to shoulder some new responsibilities with respect to ensuring the health and well being of its citizenry beginning the conversation about the country s state of medicine and public healthcare that continues to be a work in progress

Washington's Heir Gerard N. Magliocca, 2022 Washington s Heir is the first published biography of Bushrod Washington George Washington s nephew and a Supreme Court Justice for over thirty years Justice Washington is one of the most underrated Founding Fathers He was Chief Justice John Marshall s right hand man in establishing the authority of the Supreme Court and wrote many influential opinions defining the fundamental rights of citizens and the structure of the Constitution Justice Washington s remarkable life story and his secret journal shed new light on George Washington John Marshall the Constitution and America s ongoing struggle to overcome its flaws and become a more perfect union

A Powerful Mind Adrienne M. Harrison, 2015-10 His formal schooling abruptly cut off at age eleven George Washington saw his boyhood dream of joining the British army evaporate and recognized that even his aspiration to rise in colonial Virginian agricultural society would be difficult Throughout his life he faced challenges for which he lacked the academic foundations shared by his more highly educated contemporaries Yet Washington s legacy is clearly not one of failure Breaking new ground in Washington scholarship and American revolutionary history Adrienne M Harrison investigates the first president s dedicated process of self directed learning through reading a facet of his character and leadership long neglected by historians and biographers In A Powerful Mind Harrison shows that Washington rose to meet these trials through a committed campaign of highly focused reading educating himself on exactly what he needed to do and how best to do it In contrast to other famous figures of the revolution Thomas Jefferson John Adams Benjamin Franklin Washington did not relish learning for its own sake viewing self education instead as a tool for shaping himself into the person he wanted to be His two highest profile and highest risk endeavors commander in chief of the Continental Army and president of the fledgling United States are a testament to the success of his strategy

Unveiling the Magic of Words: A Review of "**Washington A Life By Ron Chernow**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
