Wild Ducks Flying Backward By Tom Robbins:

Wild Ducks Flying Backward Tom Robbins, 2005 An entertaining anthology of writings features both nonfiction essays and short stories that cover such topics as art critiques poetry country song lyrics odes to redheads kissing Diane Keaton tomato sandwiches the Doors and more 100 000 first printing

Wild Ducks Flying Backward Tom Robbins, 2005 The first ever collection of short fiction and nonfiction essays from one of the world's most beloved and original bestselling authors WILD DUCKS FLYING BACKWARD is classic Tom Robbins and a must for fans and newcomers alike A treasure trove of all new fiction published here for the first time and a selection of nonfiction some in print for the first time and some not in print for decades it ranges from tributes such as odes to redheads kissing Diane Keaton Leonard Cohen and Ray Kroc the founder of McDonald's to musings travel essays and art critiques From short stories to poems and even country song lyrics this collection will be a rare treat for Tom's throngs of loyal fans of his unique offbeat metaphorical style and a perfect introduction for newcomers to his prodigious talent With almost three million copies of his novels sold Robbins is one of those rare novelists to approach rock star status attracting sellout crowds at his personal appearances in the US and abroad He is the author of eight juicy daring and totally original novels

Create Your Own Religion Daniele Bolelli, 2013-04-01 One of the most refreshing humorous and radically honest books about practical and comparative religion this reviewer has ever come across Library Journal starred review Create Your Own Religion is a call to arms an open invitation to question all the values beliefs and worldviews that humanity has so far held as sacred in order to find the answers we need to the very practical problems facing us Writer philosopher and professor of comparative religion Daniele Bolelli leads the reader through three thousand years of mythology misogyny misinformation and the flat out lies about revealed truth that continue to muddle our ability to live a peaceful life free of guilt and shame and the ultimate fear of death Our worldviews are in desperate need of some housecleaning says Bolelli We enter the 21st century still carrying on our backs the prejudices and ways of thinking of countless past generations What worked for them may or may not still be of use so it is our job to make sure to save the tools that can help us and let go of the dead weight With a cheerful good natured smile Daniele Bolelli torpedoes the often luxurious but spiritually leaky battleships that sail under the various flags of the world's organized religions Tom Robbins New York Times bestselling author Daniele Bolelli is in the house Minds will be blown Lives will be changed Joe Rogan comedian and podcast host Bolelli's direct confrontation with dogma without giving an inch and without prescribing a new dogma is about as fresh as it gets Mike Vallely skateboarder musician and actor

Resonances against Fascism Laura Chiesa, 2024-01-01 Resonances against Fascism explores some of the myriad ways music and more broadly sound have emerged from and been mobilized to address the urgencies of the present from modernism to today Taking the works and life of the German born composer Kurt Weill as a pivotal point of departure the collection brings together a range of critical voices each with a singular tone to demonstrate the pervasive force of sound in the face of fascism Across eight

essays contributors sound out the anti authoritarian resonances of modernist and avant garde aesthetics from Weill to Nina Simone and Chico Buarque to Marguerite Duras and Jean Luc Godard to Lou Reed and Patti Smith and to the choral chants of the Black Lives Matter Movement The second volume in the Humanities to the Rescue book series a public humanities project dedicated to discussing the role of the arts and humanities today Resonances against Fascism takes its cue from the disruptive force of music in traversing the boundaries between and engaging readers from modernist and avant garde studies critical and cultural theory musicology and sound studies critical race and gender studies performance studies and philosophy

A Brief History of Rock, Off the Record Wayne Robins, 2016-03-31 The birth of rock n roll signaled the blossoming of a new teenage culture dividing generations and introducing a new attitude of rebellion and independence From Chuck Berry to the Beatles from punk rock to hip hop rock n roll has continuously transformed alongside or in reaction to social cultural and political changes *A Brief History of Rock Off the Record* is a concise introduction to rock history and the impact it has had on American culture It is an easy to read vivid account written by one of rock s leading critics Pulling from personal interviews over the years Wayne Robins interweaves the developments in rock music with his commentary on the political and social events and movements that defined their decades

On the Road to Enlightened Duality M. Young, 2015-08-28 While traveling the road on pilgrimage or following American Baul Master Khepa Lee Lozowick 1943 2010 in his daunting travel schedule author Mary Angelon Young crafted a collection of essays that explore and evoke the many moods of *Enlightened Duality* one of Lozowick s core teachings in the path of Western Bauls This dynamic spiritual principle suggests that the spiritual seeker can combine an integrated awareness of the nondual all is One with a lively conscious relationship to the duality or play of opposites that is the constant fare of everyday life Unlike those strictly nondual perspectives that relegate the human experience to an illusion of the mind Lozowick asserted that while nondual unity is the foundation of what is simultaneously life is real These original essays cover such universal themes as Impermanence Beauty and Transformation and comprise one wayfarer s reflections reveries and research Some are flavored with academic spice but most are predominantly experiential presenting a kaleidoscopic journey that unfolds much like a large multifaceted jewel looked at from many different directions Each essay has its own integrity and stands on its own authority Yet taken as a whole they form a useful map of the tantric path charting its depths through daily events travel relationships creativity and work all continuous integrated aspects of the transformational path The teaching of enlightened duality can be found in many guises within the world s great traditions including Sufi Vajrayana Buddhist and both bhakti and tantric Hindu paths It is a universal theme and yet the treatment here runs true to the theistic underpinnings of the lineage from which it comes Khepa Lee Lozowick Sri Yogi Ramsuratkumar and Swami Ramdas From this view the highest aim of spiritual practice is to integrate mystical experience and insights of nonduality into ordinary life This book provides a genuine feast of practical wisdom for the hungry seeker who yearns for a path through life that is both transformational and yet honoring of the innate dignity and

potential of the human incarnation The author has travelled extensively in India and Europe has studied the Sanskrit Hindu and Buddhist traditions and has written published an extensive treatise on the Baul Path The Baul Tradition Hohm Press 2014 *Nevada Curiosities* Richard Moreno,2008-12-22 The definitive collection of Nevada s odd wacky and most offbeat people places and things for Nevada residents and anyone else who enjoys local humor and trivia with a twist Roll Around Heaven Jessica Maxwell,2009-10-06 An all true accidental spiritual adventure Roll Around Heaven is filled with polished prose and travel writer Maxwell s eye opening and often humorous experiences Her work will resonate with seekers and cynics nature lovers and travel enthusiasts alike **Encyclopedia of American Literature** Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S *The Novel: An Alternative History* Steven Moore,2013-09-17 Encyclopedic in scope and heroically audacious The Novel An Alternative History is the first attempt in over a century to tell the complete story of our most popular literary form Contrary to conventional wisdom the novel did not originate in 18th century England nor even with Don Quixote but is coeval with civilization itself After a pugnacious introduction in which Moore defends innovative demanding novelists against their conservative critics the book relaxes into a world tour of the pre modern novel beginning in ancient Egypt and ending in 16th century China with many exotic ports of call Greek romances Roman satires medieval Sanskrit novels narrated by parrots Byzantine erotic thrillers 5000 page Arabian adventure novels Icelandic sagas delicate Persian novels in verse Japanese war stories even Mayan graphic novels Throughout Moore celebrates the innovators in fiction tracing a continuum between these pre modern experimentalists and their postmodern progeny Irreverent iconoclastic informative entertaining The Novel An Alternative History is a landmark in literary criticism that will encourage readers to rethink the novel
