**The Witching Stone** Georgia Paton, 2013-10 Sean Drew and Rossi weren't quite sure what to expect when they travelled from Australia to Scotland for the summer. But from the moment they entered the mysterious Buckie House and met their secretive cousin Ruairidh the three siblings knew it would be no ordinary holiday. After setting out to explore the nearby standing stones of Scabinory the four children accidentally stumble through a portal to an ancient and magical land where the mythical creatures of Scottish history are made real. What begins as a terrifying journey back soon becomes a quest to restore the rightful king to his throne, save the dying faerie world and forge a legend to match the greatest tales of Scottish folklore.
