The Yellow Wallpaper Charlotte Perkins Gilman, 2009-08-01 Charlotte Perkins Gilman's 1892 short story *The Yellow Wallpaper* is a valuable piece of American feminist literature that reveals attitudes toward the psychological health of women in the nineteenth century Diagnosed with temporary nervous depression a slight hysterical tendency by her physician husband a woman is confined to an upstairs bedroom Descending into psychosis at the complete lack of stimulation she starts obsessing over the room's yellow wallpaper It is the strangest yellow that wall paper It makes me think of all the yellow things I ever saw not beautiful ones like buttercups but old foul bad yellow things But there is something else about that paper the smell The only thing I can think of

that it is like is the color of the paper A yellow smell The Yellow Wallpaper Charlotte Perkins Gilman Charlotte Gilman,2016-12-07 The Yellow Wallpaper original title The Yellow Wall paper A Story is a 6 000 word short story by the American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s health both physical and mental The Yellow Wallpaper (Illustrated) Charlotte Perkins Gilman,2014-04-10 The Yellow Wallpaper is a 6 000 word short story by the American writer Charlotte Perkins Gilman first published in January 1892 in The New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s physical and mental health Presented in the first person the story is a collection of journal entries written by a woman whose physician husband has confined her to the upstairs bedroom of a house he has rented for the summer She is forbidden from working and has to hide her journal from him so she can recuperate from what he calls a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period The windows of the room are barred and there is a gate across the top of the stairs allowing her husband to control her access to the rest of the house The story depicts the effect of confinement on the narrator s mental health and her descent into psychosis With nothing to stimulate her she becomes obsessed by the pattern and color of the wallpaper It is the strangest yellow that wall paper It makes me think of all the yellow things I ever saw not beautiful ones like buttercups but old foul bad yellow things But there is something else about that paper the smell The only thing I can think of that it is like is the color of the paper A yellow smell In the end she imagines there are women creeping around behind the patterns of the wallpaper and comes to believe she is one of them She locks herself in the room now the only place she feels safe refusing to leave when the summer rental is up For outside you have to creep on the ground and everything is green instead of yellow But here I can creep smoothly on the floor and my shoulder just fits in that long smooch around the wall so I cannot lose my way A woman gradually suffers a mental breakdown as a result of confinement and denial of her creative energies by her husband **The Yellow Wallpaper by Charlotte Perkins Gilman** Charlotte Perkins Gilman,2014-05-14 It is very seldom that mere ordinary people like John and myself secure ancestral halls for the summer A colonial mansion a hereditary estate I would say a haunted house and reach the height of romantic felicity but that would be asking too much of fate Still I will proudly declare that there is something queer about it Else why should it be let so cheaply And why have stood so long untenanted John laughs at me of course but one expects that in marriage **The Yellow Wall Paper** Charlotte Perkins Gilman,1899 The Yellow Wallpaper: (Annotated) Charlotte Perkins Gilman,2019-03-19 The Yellow Wallpaper is a 6 000 word short story by American writer Charlotte Perkins Gilman first published in January 1892 in New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s physical and mental health The story is written in the first person as a series of journal entries The narrator is a woman whose husband a
