and Replace is a collection of recent interdisciplinary research into Western Canada that calls attention to the multiple political social and cultural labours performed by the concept of place The book continues a long standing tradition of situating questions of place at the centre of analyses of Western Canada s cultures pasts and politics while making clear that place is never stable universal or static The essays here confirm the interests and priorities of Western Canadian scholarship that have emerged over the past forty years and remind us of the importance of Indigenous peoples dispossession and colonialism of migration race and ethnicity of gender and women s experiences of the impact of the natural and built environment and the impact of politics and the state *Unbound* Lisa Grekul,Lindy Ledohowski,2016-01-01 What does it mean to be Ukrainian in contemporary Canada The Ukrainian Canadian writers in *Unbound* challenge the conventions of genre memoir fiction poetry biography essay and the boundaries that separate ethnic and authorial identities and fictional and non fictional narratives These intersections become the sites of new thought provoking and poignant creative writing by some of Canada s best known Ukrainian Canadian authors To complement the creative writing editors Lisa Grekul and Lindy Ledohowski offer an overview of the history of Ukrainian settlement in Canada and an extensive bibliography of Ukrainian Canadian literature in English *Unbound* is the first such exploration of Ukrainian Canadian literature and a book that should be on the shelves of Canadian literature fans and those interested in the study of ethnic postcolonial and diasporic literature

Next-Generation Memory and Ukrainian Canadian Children's Historical Fiction Mateusz Świetlicki,2023-03-24 This is the first book monograph devoted to Anglophone Ukrainian Canadian children s historical fiction published between 1991 and 2021 It consists of five chapters offering cross sectional and interdisciplinary readings of 41 books novels novellas picturebooks short stories and a graphic novel The first three chapters focus on texts about the complex process of becoming Ukrainian Canadian showcasing the experiences of the first two waves of Ukrainian immigration to Canada including encounters with Indigenous Peoples and the First World War Internment The last two chapters are devoted to the significance of the cultural memory of the Holodomor the Great Famine of 1932 1933 and the Second World War for Ukrainian Canadians All the chapters demonstrate the entanglements of Ukrainian and Canadian history and point to the role Anglophone children s literature can play in preventing the symbolical seeds of memory from withering This volume argues that reading imagining and reimagining history can lead to the formation of beyond textual next generation memory Such memory created through reading is multidimensional as it involves the interpretation of both the present and the past by an individual whose reality has been directly or indirectly shaped by the past over which they have no influence Next generation memory is of anticipatory character which means that authors of historical fiction anticipate the readers both present day and future not to have direct links to any witnesses of the events they discuss and to have little knowledge of the transcultural character of the Ukrainian Canadian diaspora **Quill & Quire** ,2009 **Memoir Writing For Dummies** Ryan G.
