

Alexis De Tocqueville

Marco Cascella

Alexis De Tocqueville:

Alexis de Tocqueville Hugh Brogan, 2006 It is now 200 years since the birth of Alexis de Tocqueville French aristocrat liberal politician and writer of genius whose great works *Democracy in America* and *the Ancien Regime* are ever more influential and discussed As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic he had a front seat at the revolutionary drama of his time His writings are hugely valuable for the study of French British and American society during his life he visited the US in 1831 to gather material It is Brogan's long held ambition to write this biography No one has yet attempted a biography of de Tocqueville in the English tradition and for that reason he is not fully present to the public imagination rather than an intellectual monument This superb work will put that right

Alexis de Tocqueville: Selected Letters on Politics and Society Alexis de Tocqueville, 2023-11-10 This title opens a new window into the life and thought of Alexis de Tocqueville presenting him as not only a political thinker but also a person deeply shaped by the tensions and ideals of his time Known for *Democracy in America* Tocqueville's insights into American democracy have often overshadowed his reflections on French society friendship and personal struggles This compilation of letters many unpublished in English before spans his political career his friendships and his inner conflicts revealing his ongoing battle between intellectual ideals and the harsh realities of the political landscape His letters bring to light a Tocqueville who was both drawn to political action and increasingly disillusioned by the self-serving nature of his era's middle class Tocqueville's correspondence reveals a figure influenced by both Enlightenment rationalism and Romanticism's emphasis on feeling and individuality While often critical of Romantic melancholy he was himself plagued by existential doubt and frustration over the limited impact of his political actions He viewed society's growing emphasis on materialism and self-interest as symptoms of a broader decline leaving him torn between admiration for civic virtues and disappointment in the era's lack of ambition Religion and friendship emerge as stabilizing forces in his life with his close bond with Gustave de Beaumont standing out as a source of both comfort and challenge The letters show how Tocqueville's personal relationships and ethical convictions shaped his intellectual pursuits and his concerns for France's future The editors Roger Boesche and James Toupin present these letters with careful translation and thorough contextual notes giving readers both the historical background and access to Tocqueville's unique literary style The work provides readers with a portrait of a man wrestling with the challenges of his age caught between democratic ideals and the evolving reality of French society For modern readers these letters illuminate how Tocqueville's personal struggles informed his enduring political insights highlighting his belief in community and civic duty as essential defenses against tyranny This title is part of UC Press's *Voices Revived* program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on

demand technology This title was originally published in 1985 **Alexis de Tocqueville on Democracy, Revolution, and Society** Alexis de Tocqueville, 1980 Alexis de Tocqueville possessed one of the most fertile sociological imaginations of the nineteenth century For more than 120 years his uncanny predictive insight has continued to fascinate thinkers and his writings have continued to influence our interpretations of history and society His analyses of many issues remain relevant to current social and political problems In this volume John Stone and Stephen Mennell bring together for the first time selections from the full range of Tocqueville's writings selections that illustrate the depth of his insight and analysis

Alexis de Tocqueville Hugh Brogan, 2010-08-06 As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic Alexis de Tocqueville had a front seat at the revolutionary drama of his time In 1831 Tocqueville made the famous voyage to the United States which led to his masterpiece *Democracy in America* one of the most vital works in the history of democratic thought One of the delights of this remarkable biography is to let its readers see the past as if it were the present through the eyes of civilised Frenchmen like Tocqueville A biography as humane learned humorous and perceptive as this extends our knowledge of ourselves and where we came from as well as painting an incomparable portrait of one of the sharpest and most sympathetic writers of all time Hilary Spurling Observer A magisterial book by an eminent scholar of both European and American history this will stand as the standard biography of Tocqueville for years to come [An Analysis of Alexis de Tocqueville's Democracy in America](#) Elizabeth Morrow, 2017-07-05 Alexis de Tocqueville's 1838 *Democracy in America* is a classic of political theory and of the problem solving skills central to putting forward political ideas Problem solving has several aspects identifying problems finding methodologies to deal with them and applying the right criteria to work out how to solve them Indeed offering solutions is only the last stage in a developed process of problem solving For Tocqueville the problem at hand was how best to run a democratic state In the early 19th century it seemed clear that Europe was headed in the direction of democracy but in the wake of the French Revolution it was unclear how to avoid the many pitfalls on that road Tocqueville therefore turned to America then point the most established democracy in the world to investigate the institutions that allowed it to run as a successful state allowing people their say while preventing both the possible tyranny of the majority and the uncontrolled growth of government Tocqueville's careful analysis of the strengths of American democracy was then applied to the problems of instituting democracy in France providing a range of solutions that proved deeply influential in European political thought *Alexis de Tocqueville and the Art of Democratic Statesmanship* Brian Danoff, L. Joseph Hebert Jr., 2010-12-13 In 1835 Alexis de Tocqueville famously called for a new political science that could address the problems and possibilities of a world itself quite new For Tocqueville the democratic world needed not just a new political science but also new arts of statesmanship and leadership In this volume Brian Danoff and L. Joseph Hebert Jr have brought together a diverse set of essays revealing that Tocqueville's understanding of democratic statesmanship remains highly relevant today

The first chapter of the book is a new translation of Tocqueville's 1852 address to the Academy of Moral and Political Sciences in which Tocqueville offers a profound exploration of the relationship between theory and practice and between statesmanship and political philosophy. Subsequent chapters explore the relationship between Tocqueville's ideas on statesmanship on the one hand and the ideas of Plato, Aristotle, Machiavelli, Montesquieu, the Puritans, the Framers of the U.S. Constitution, Oakeshott, Willa Cather, and the Second Vatican Council on the other. Timely and provocative, these essays show the relevance of Tocqueville's theory of statesmanship for thinking about such contemporary issues as the effects of NGOs on civic life, the powers of the American presidency, the place of the jury in a democratic polity, the role of religion in public life, the future of democracy in Europe, and the proper balance between liberalism and realism in foreign policy. *The Recollections of Alexis de Tocqueville*, Alexis de Tocqueville, 2018-04-04. Reproduction of the original *The Recollections of Alexis de Tocqueville* by Alexis de Tocqueville. *The Old Regime and the Revolution*, Alexis de Tocqueville, 1856.

Memoir, Letters, and Remains of Alexis de Tocqueville, Alexis de Tocqueville, 1861. [Memoirs, Letters, and Remains of Alexis de Tocqueville](#), Alexis de Tocqueville, 1862. *Correspondence & Conversations of Alexis de Tocqueville with Nassau William Senior from 1834 to 1859*, Alexis de Tocqueville, 1872. [The Social and Political Thought of Alexis de Tocqueville](#), Jack Lively, 1965. Scholarly analysis of the political philosophy of the eminent 19th-century Frenchman. **Alexis de Tocqueville**, Jacob Peter Mayer, 1960. New essay: Tocqueville after a century has replaced the appendices of the earlier editions. For other editions, see Author Catalog. **Alexis de Tocqueville**, Michael Hereth, 1986. This first English translation of Alexis de Tocqueville shows the continuing relevance of Tocqueville's thought to the present. *Alexis de Tocqueville*, Alan S. Kahan, 2009-11-19. Alexis de Tocqueville was the author of two masterpieces: *Democracy in America* and *The Old Regime and the Revolution*. In this volume, Alan S. Kahan, one of the world's leading authorities on Tocqueville's work, presents an accessible and rigorous account of the French author's ideas set in the context of his life and times. It sets out the essential tensions and ambiguities in Tocqueville's thought and analyzes the idea that made him such a compelling and insightful thinker. [Alexis de Tocqueville, the First Social Scientist](#), Jon Elster, 2009-04-27. Arguing that Tocqueville was fundamentally a social scientist rather than a political theorist, Elster emphasises Tocqueville's substantive and methodological insights.

Correspondence & Conversations of Alexis de Tocqueville with Nassau William Senior from 1834 to 1859, Alexis de Tocqueville, 2018-04-04. Reproduction of the original *Correspondence & Conversations of Alexis de Tocqueville with Nassau William Senior from 1834 to 1859* by Alexis de Tocqueville. **Alexis de Tocqueville**, Joseph Epstein, 2024-01-17. Alexis de Tocqueville was among the first foreigners to recognize the potential of a new land called the United States. His classic work *Democracy in America*, first published in 1835, was not only a vivid portrait of the new nation but also a startlingly accurate forecast of its future. From the influence of evangelical Christianity to the advent of our consumer society, many of de Tocqueville's predictions have come true. Bestselling author Joseph Epstein revisits de Tocqueville's legacy.

providing a fresh account of his classic travels in America Epstein explains how de Tocqueville introverted and prone to self doubt arrived at such a profoundly influential interpretation of this new country and its government Alexis de Tocqueville Democracy s Guide is a compelling portrait of the Frenchman who would become an American icon Joseph Epstein is the author of among other books Snobbery The American Version Fabulous Small Jews a collection of stories Envy and Friendship An Expos He was the editor of The American Scholar between 1974 and 1997 and for many years taught in the English Department at Northwestern University His essays and stories have appeared in the New Yorker Commentary the Atlantic Monthly and other magazines *Alexis de Tocqueville and American Intellectuals* Matthew Mancini,2005-12-15 In this groundbreaking new work Matthew Mancini tells the surprising story of Alexis de Tocqueville s reception in American thought and culture from the time of his 1831 visit to the United States to the turn of the twenty first century The author uncovers an historical record that is replete with unmistakable evidence of Tocqueville s continuing importance to American intellectuals throughout the post Civil War period of his supposed oblivion and also of his reputation being exaggerated by recent historians referring to the post World War II decades Through comprehensive analysis of Tocqueville s published works Mancini critically examines the ways in which Tocqueville s ideas have been received and at times misunderstood Mancini challenges almost every element of the common understanding of Tocqueville s reception into American intellectual culture while recovering and re examining many important intellectuals of the last 150 years In doing so Mancini inscribes an important chapter in American cultural history namely the idea of Tocqueville himself **Alexis De Tocqueville and the Making of the Modern World** Alan Macfarlane,2018-02-26 Alexis de Tocqueville was one of the greatest political scientists of all time His Democracy in America 1835 1840 and Ancien Regime 1856 are classics Yet his work is not always easy to understand since it needs to be seen as a work which combines his essays letters travels and other materials Through an examination of all of these we can see that Tocqueville more than any other thinker understood the deep roots of individualism equality and fraternity and in doing so the origins of the modern world His three way comparison of France England and America is unique and deeply illuminating Alan Macfarlane F B A is an Emeritus Professor of Anthropology at Cambridge University and a Life Fellow of King s College His website is alanmacfarlane com

Alexis De Tocqueville Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alexis De Tocqueville has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alexis De Tocqueville has opened up a world of possibilities. Downloading Alexis De Tocqueville provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alexis De Tocqueville has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alexis De Tocqueville. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alexis De Tocqueville. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alexis De Tocqueville, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alexis De Tocqueville has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Alexis De Tocqueville Books

1. Where can I buy Alexis De Tocqueville books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
