

A photograph of a garden scene. In the foreground, there are green leafy plants growing in dark soil. In the background, there are more green plants and some yellow flowers. A person's arm is visible on the right side, reaching into the garden. The text is overlaid on a semi-transparent orange rounded rectangle in the center.

Gardening prayers

Heavenly Father, as I tend to this garden, I am reminded of the sanctity and beauty of life and see Your goodness and grace. May the soil, seeds, and plants that sprout produce fruit, nourishing the body and soul. May this time spent in the garden be a moment with You in peace and reflection. Through Christ our Lord.

AMEN

Lifting Up the Senior Spirit Janet Mitchell Hisbon,2012-06 The crocus flower bulb has special meaning for the design cover It was selected because it is symbolic of the act of lifting the Senior Spirit from the emotional dark cold winter season of an older adult s mundane and dull life to give birth to change and the springtime of a new way of life These beautiful blossoms breaking through the snow and ice represent the inner struggle that one encounters to bloom where they are planted What is happening to them is not mere happenstance something larger than them are at work within them Someone wiser than they are has a word to speak and that word is Yes to God s will and His way in their new life It is also a reminder of the death and resurrection of Jesus from the dark tomb to the newness of life Jesus rose that we may have life and that we may have it more abundantly So it is with Older Adults they rise to a better quality of life and at the same time preserve their dignity
