F. Burr, 2015-07-08 Excerpt from Aleph the Chaldean Or the Messiah as Seen From Alexandria Two facts at least should be remembered by the readers of this book 1 It was not uncommon in the times of the Christ for Hebrew men in imitation of Joseph and Moses and Boaz to marry outside of their own people 2 It is a great mistake to suppose that women in the Roman Empire of the First Century were secluded after the current oriental fashion They had about as much freedom on most lines of social intercourse as women have among us The New Testament shows this in regard to Palestine and such contiguous countries as appear in the Acts of the Apostles But it was the same wherever the Roman authority and influence extended About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the
