

APUSH - Ch. 13 Reading Guide "Expansion, War, and Sectional Crisis" (Unit 3, Henretta ch. 13-15)

/10 Name _____

APUSH Period 5: 1844-1877, 10-17% AP exam weighting

Period 5 Learning Objectives Henretta ch. 13 from AP US History Course and Exam Description

RC-5.1.1.A The desire for access to natural and mineral resources and the hope of many settlers for economic opportunities or religious refuge led to an increased migration to and settlement in the West.

RC-5.1.1.B Advocates of annexing western lands argued that Manifest Destiny and the superiority of American institutions compelled the United States to expand its borders westward to the Pacific Ocean.

RC-5.1.1.C The United States added large territories in the West through victory in the Mexican–American War and diplomatic negotiations, raising questions about the status of slavery, American Indians, and Mexicans in the newly acquired lands.

RC-5.1.1.C U.S. government interaction and conflict with Mexican Americans and American Indians increased in regions newly taken from American Indians and Mexico, altering these groups' economic self-sufficiency and cultures.

RC-5.2.1.A The Mexican Cession led to heated controversies over whether to allow slavery in the newly acquired territories.

RC-5.2.1.B.i The courts and national leaders made a variety of attempts to resolve the issue of slavery in the territories, including the Compromise of 1850.

RC-5.2.1.A The North's expanding manufacturing economy relied on free labor in contrast to the Southern economy's dependence on slave labor. Some Northerners did not object to slavery on principle but claimed that slavery would undermine the free labor market. As a result, a free-soil movement arose that portrayed the expansion of slavery as incompatible with free labor.

RC-5.2.1.B African American and white abolitionists, although a minority in the North, mounted a highly visible campaign against slavery, presenting moral arguments against the institution, assisting slaves' escapes, and sometimes expressing a willingness to use violence to achieve their goals.

RC-5.2.1.C Defenders of slavery based their arguments on racial doctrines, the view that slavery was a positive social good, and the belief that slavery and states' rights were protected by the Constitution.

RC-5.2.1.B.ii The courts and national leaders made a variety of attempts to resolve the issue of slavery in the territories, including the Kansas–Nebraska Act, and the Dred Scott decision, but these ultimately failed to reduce conflict.

RC-5.2.1.C The Second Party System ended when the issues of slavery and anti-immigrant nativism weakened loyalties to the two major parties and fostered the emergence of sectional parties, most notably the Republican Party in the North.

RC-5.2.1.D Abraham Lincoln's victory on the Republicans' free-soil platform in the presidential election of 1860 was accomplished without any Southern electoral votes. After a series of contested debates about secession, most slave states voted to secede from the Union, precipitating the Civil War.

Terms	Date? What is it?	Why is it important?
