Art, Virginia Brilliant**

Art And Love In Renaissance Italy:

Art and Love in Renaissance Italy Metropolitan Museum of Art (New York, N.Y.), Kimbell Art Museum, 2008 Many famous artworks of the Italian Renaissance were made to celebrate love marriage and family They were the pinnacles of a tradition dating from early in the era of commemorating betrothals marriages and the birth of children by commissioning extraordinary objects maiolica glassware jewels textiles paintings that were often also exchanged as gifts This volume is the first comprehensive survey of artworks arising from Renaissance rituals of love and marriage and makes a major contribution to our understanding of Renaissance art in its broader cultural context The impressive range of works gathered in these pages extends from birth trays painted in the early fifteenth century to large canvases on mythological themes that Titian painted in the mid 1500s Each work of art would have been recognized by contemporary viewers for its prescribed function within the private domestic domain BOOK JACKET *Art and Love in Renaissance Italy* Andrea Bayer, Metropolitan Museum of Art (New York, N.Y.), Kimbell Art Museum, 2008 Many famous artworks of the Italian Renaissance were made to celebrate love marriage and family They were the pinnacles of a tradition dating from early in the era of commemorating betrothals marriages and the birth of children by commissioning extraordinary objects maiolica glassware jewels textiles paintings that were often also exchanged as gifts This volume is the first comprehensive survey of artworks arising from Renaissance rituals of love and marriage and makes a major contribution to our understanding of Renaissance art in its broader cultural context The impressive range of works gathered in these pages extends from birth trays painted in the early fifteenth century to large canvases on mythological themes that Titian painted in the mid 1500s Each work of art would have been recognized by contemporary viewers for its prescribed function within the private domestic domain BOOK JACKET *Art and Love in Renaissance Italy* Beverly Louise Brown, 2013 *Art and Love in Renaissance Italy* , "Sexualities, Textualities, Art and Music in Early Modern Italy" Linda L. Carroll, 2017-07-05 Taking as axiomatic the concept that artistic output does not simply reflect culture but also shapes it the essays in this interdisciplinary collection take a holistic approach to the cultural fashioning of sexualities drawing on visual art theatre music and literature in sacred and secular contexts Although there is diversity in disciplinary approach the interpretations and readings offered in each essay have a historical basis Approaching the topic from the point of view of both visual and auditory media this volume paints a comprehensive picture of artists challenges to erotic boundaries and contributes to new historicizing thinking on sexualities Collectively the essays demonstrate the role played by artistic production visual arts literature theatre and music in fashioning policing and challenging early modern sexual boundaries and thus help to identify the ways in which the arts contributed to both the disciplining and the exploration of a range of sexualities Venus and the Arts of Love in Renaissance Florence Rebekah Compton, 2021-03-11 In this volume Rebekah Compton offers the first survey of Venus in the art culture and governance of Florence from 1300 to 1600 Organized chronologically each of the six chapters investigates one of the goddess's alluring

attributes her golden splendor rosy hued complexion enchanting fashions green gardens erotic anatomy and gifts from the sea By examining these attributes in the context of the visual arts Compton uncovers an array of materials and techniques employed by artists patrons rulers and lovers to manifest Venusian virtues Her book explores technical art history in the context of love s protean iconography showing how different discourses and disciplines can interact in the creation and reception of art Venus and the Arts of Love in Renaissance Florence offers new insights on sight seduction and desire as well as concepts of gender sexuality and viewership from both male and female perspectives in the early modern era Painted Palaces: The Rise of Secular Art in Early Renaissance Italy ,2009 Even many Renaissance specialists believe that little secular painting survives before the late fifteenth century and its appearance becomes a further argument for the secularizing of art This book asks how history changes when a longer record of secular art is explored It is the first study in any language of the decoration of Italian palaces and homes between 1300 and the mid Quattrocento and it argues that early secular painting was crucial to the development of modern ideas of art Of the cycles discussed some have been studied and published but most are essentially unknown A first aim is to enrich our understanding of the early Renaissance by introducing a whole corpus of secular painting that has been too long overlooked Yet Painted palaces is not a study of iconography In examining the prehistory of painted rooms like Mantegna s Camera Picta the larger goal is to rethink the history of early Renaissance art

Music and Performance in the Later Middle Ages E. Upton,2012-12-28 This book seeks to understand the music of the later Middle Ages in a fuller perspective moving beyond the traditional focus on the creative work of composers in isolation to consider the participation of performers and listeners in music making Domestic Devotions in Early Modern Italy ,2018-11-01 Domestic Devotions in Early Modern Italy illuminates the vibrancy of spiritual beliefs and practices which profoundly shaped family life in this era Scholarship on Catholicism has tended to focus on institutions but the home was the site of religious instruction and reading prayer and meditation communal worship multi sensory devotions contemplation of religious images and the performance of rituals as well as extraordinary events such as miracles Drawing on a wide range of sources this volume affirms the central place of the household to spiritual life and reveals the myriad ways in which devotion met domestic needs The seventeen essays encompass religious history the histories of art and architecture material culture musicology literary history and social and cultural history Contributors are Erminia Ardissino Michele Bacci Michael J Brody Giorgio Caravale Maya Corry Remi Chiu Sabrina Corbellini Stefano Dall Aglio Marco Faini Iain Fenlon Irene Galandra Cooper Jane Garnett Joanna Kostylo Alessia Meneghin Margaret A Morse Elisa Novi Chavarria Gervase Rosser Zuzanna Sarnecka Katherine Tycz and Valeria Viola

Spectrum of Desire: Love, Sex, and Gender in the Middle Ages Melanie Holcomb,Nancy Thebaut,2025-10-16 This pioneering volume explores concepts of gender sexuality and love as portrayed in sculptures paintings manuscripts and personal items to reveal the hidden sexuality and sensuality of medieval art Using the critical approach known as queer theory which offers a way to think more expansively about the past the book interrogates

aspects art and culture of the Middle Ages that are often overlooked such as nonconformist sexual practices gender variance and power plays within human and divine relationships Focused essays on topics and motifs such as the erotics of Saint Sebastian transgender expression and the underside of courtly love propose new readings of beloved masterpieces Featuring more than 40 works of art from the fourteenth to the sixteenth century this volume not only encourages readers to reflect on the ways that sex gender and relationships structured medieval lives and identities but also prompts contemplation of how such attitudes affect our understanding of these subjects in the present day Love Songs Ted Gioia,2015 Uncovers the unexplored history of the love song from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day and discusses such topics as censorship the legacy of love songs and why it is a dominant form of modern musical expression

Many Pious Women Harry Fox,Justin Jaron Lewis,2011-10-27 This work is of importance to anyone with an interest in whether women especially Jewish Ashkenazic women had a Renaissance It details the participation in the Querelle des Femmes and Power of Women topos as expressed in this hagiographic work on the lives of biblical women including the apocryphal Judith The Power of Women topos is discussed in the context of the reception of the Amazon myth in Jewish literature and the domestication of powerful female figures In the Querelle our author pleads with husbands for generosity and respect for their wives piety Whether women living in the Renaissance experienced a renaissance is a debate raging since Joan Kelly raised the possibility that this historic phenomenon essentially did not affect women The question is raised with reference to the women depicted in Many Pious Women These topics find their expression in a richly annotated translation with extensive introductory essays of a unique 16th century manuscript in Western Yiddish Judeo German written in Italy The text will also be useful to scholars of the history of Yiddish and theorists of its development Women everywhere gender and Renaissance scholars Yiddishists and linguists will all welcome this work now available for the very first time in the original text with an English translation

Visualizing Sensuous Suffering and Affective Pain in Early Modern Europe and the Spanish Americas ,2018-01-03 Visualizing Sensuous Suffering and Affective Pain in Early Modern Europe and the Spanish Americas is a trans cultural collection of studies on visual treatments of the phenomena of suffering and pain in early modern culture Ranging geographically from Italy Spain and the Low Countries to Chile Mexico and the Philippines and chronologically from the fourteenth to the eighteenth centuries these studies variously consider pain and suffering as somatic emotional and psychological experiences From examination of bodies shown victimized by brutal public torture to the sublimation of physical suffering conveyed through the incised lines of Counter Reformation engravings the authors consider depictions of pain and suffering as conduits to the divine or as guides to social behaviour indeed often the two functions overlap

Raphael and the Redefinition of Art in Renaissance Italy Robert Williams,2017-04-03 A comprehensive re assessment of Raphael s artistic achievement and the ways in which it transformed the idea of what art is

Art and the Augustinian Order in Early Renaissance Italy Louise Bourdua,Anne Dunlop,2007 Art and the Augustinian

Order in Early Renaissance Italy views art in the formative period of the Augustinian Hermits an order with a particularly difficult relation to art As a first detailed study of visual culture in the Augustinian order this book will be a basic resource making available previously inaccessible material discussing both well known and more neglected artworks and engaging with fundamental methodological questions for pre modern art and church history from the creation of religious iconographies to the role of gender in art

Wounds of Love Frank Graziano, 2004 St Rose of Lima Isabel Flores y Oliva 1586 1617 was canonized in 1671 as the first saint of the New World and Patron of the Americas In this engrossing new biography Frank Graziano offers the most comprehensive examination of the life of Rose to appear in any language An obscure self mortifying mystic Rose seems a strange choice for the distinction of first American saint Graziano argues that the cult that grew up around St Rose during her life and greatly expanded after her death was seen by both Church and State as a challenge and even a threat to authority For that reason he contends the Church acted quickly to render her harmless by bringing her into the fold Graziano goes on to consider Rose s ascetic Christianity in its cultural context He seeks to discover why the severe austerities and mortifications of female piety that today are regarded as psychopathological were lauded as exemplary means of worship in the seventeenth century In fact he shows St Rose s behavior and experiences were initially regarded as pathological by many significant observers within her own culture but such assessments were gradually dismissed as her saintly image was constructed Drawing on key archival sources and the insights offered by psychoanalytic theory Graziano constructs a compelling portrait of one of the Catholic Church s most beloved saints

Love and Death in Renaissance Italy Thomas V. Cohen, 2010-01-15 Gratuitous sex Graphic violence Lies revenge and murder Before there was digital cable or reality television there was Renaissance Italy and the courts in which Italian magistrates meted out justice to the vicious and the villainous the scabrous and the scandalous Love and Death in Renaissance Italy retells six piquant episodes from the Italian court just after 1550 as the Renaissance gave way to an era of Catholic reformation Each of the chapters in this history chronicles a domestic drama around which the lives of ordinary Romans are suddenly and violently altered You might read the gruesome murder that opens the book when an Italian noble takes revenge on his wife and her bastard lover as he catches them in delicto flagrante as straight from the pages of Boccaccio But this tale like the other stories Cohen recalls here is true and its recounting in this scintillating work is based on assiduous research in court proceedings kept in the state archives in Rome Love and Death in Renaissance Italy contains stories of a forbidden love for an orphan nun of brothers who cruelly exact a will from their dying teenage sister and of a malicious papal prosecutor who not only rapes a band of sisters but turns their shambling father into a pimp Cohen retells each cruel episode with a blend of sly wit and warm sympathy and then wraps his tales in ruminations on their lessons both for the history of their own time and for historians writing today What results is a book at once poignant and painfully human as well as deliciously entertaining

Italian, Spanish, and French Paintings John and Mable Ringling Museum of Art, Virginia Brilliant, 2017-12-04 The first

comprehensive examination of the Italian Spanish and French Old Master paintings in the collections of the John and Mable Ringling Museum of Art Presenting a wealth of new research analysis and previously unpublished documentation this beautifully illustrated volume is the first comprehensive examination of the Italian Spanish and French Old Master paintings in the collections of the John and Mable Ringling Museum of Art The largest and most significant collection of its kind in the American Southeast the Ringling s 300 plus Italian Spanish and French paintings include important works by well known artists such as Cortona Piero di Cosimo Guercino Rosa Strozzi Tiepolo and Veronese Coypel Nattier and Raoux and Cano Ribera and Vel zquez A rich resource for scholars and enthusiasts alike this elegantly designed book includes comprehensive entries for each painting with details of technique and materials provenance patronage attribution date subject iconography conservation history and bibliography all accompanied by vivid newly commissioned colour photography of each work Contents Introduction Italian Paintings Spanish Paintings French Paintings Follow TheRingling on Twitter 3550 followers
