The Resilience Toolkit Jonathan Rees, 2019-02-04 Today's workplace is fast-paced, highly complex, and sometimes even life-threatening. Yet it is possible to thrive in the pressure cooker of modern work life. We all have the right to enjoy rather than just endure work. In the unpredictability of even the most challenging environments, the route to success and fulfillment at work is to build our resilience. This groundbreaking book provides a highly effective toolkit that will empower you to survive, thrive, and flourish in the dynamic and fast-changing context of blue light services. Discover how to be ready for the unexpected, feel calm and confident under pressure, and avoid burnout. Reduce stress and anxiety by understanding the essential components of a resilient work life. Evaluate your own resilience factor with the Workplace Resilience Instrument. Jonathan Rees shows us through bright examples and actionable exercises that we too can thrive under pressure. Our own resilient behaviors can be modeled to match the situations we face. Although reading about what makes people resilient can be insightful, Jonathan's battery of self-assessment tools provides the reader with specific feedback to be more effective and view adverse situations as opportunities more so than danger. Dr. Larry Mallak, Western Michigan University, Author of The Workplace Resilience Instrument (WRI). This book represents the next stage of Jonathan's work and provides any senior leader in the public sector with an opportunity to learn and refresh the practical skills that will help them in these challenging roles. Whether you are a senior leader in policing the NHS or elsewhere in the public sector, I would recommend that you read this book and adopt its principles. I promise that it will help you to survive and thrive in the pressure cooker. Chief Superintendent Ian Wylie, Vice President, Police Superintendents' Association.

The Art of Manifesting Colette Baron-Reid, 2025-09-23 Draw your destiny into being. Discover the intersection between creativity and manifestation backed by neuroscience in this inspiring new art form that allows you to claim the life you desire as you co-create with the Universe. The Art of Manifesting Method, created by Colette Baron Reid and Anna Denning, harnesses the extraordinary power of intentional art to rewire your brain, break old patterns, and align your mind and intentions with the energy of the Universe. No special skills or tools required. Through the AM Method, manifesting can be as easy, peaceful, and joyful as drawing a circle and lots of flowy lines. All you need is a pen, a piece of paper, and your imagination to begin to co-create a life beyond your wildest dreams. The Universe will do the rest through the power of synchronicity. With the Seven Steps of Manifestation, you actively carve out new neural pathways by repeatedly engaging in meaningful intentional thoughts and actions. This creates deep, authentic shifts within you that are then reflected in your outer world. The gentle seven-week guide allows you to thoroughly understand and connect with each step through guided drawings, including example illustrations, as well as supportive practices like meditation and journaling. Through the AM Method, you will tap into the infinite potential of the quantum field and realize that you are the shaper of your destiny, not just the one being shaped.
