Silvia, 2023-05-15 The UAW's Southern Gamble is the first in depth assessment of the United Auto Workers efforts to organize foreign vehicle plants Daimler Chrysler Mercedes Benz Nissan and Volkswagen in the American South since 1989 an era when union membership declined precipitously Stephen J Silvia chronicles transnational union cooperation between the UAW and its counterparts in Brazil France Germany and Japan and documents the development of employer strategies that have proven increasingly effective at thwarting unionization Silvia shows that when organizing unions must now fight on three fronts at the worksite in the corporate boardroom and in the political realm The UAW's Southern Gamble makes clear that the UAW's failed campaigns in the South can teach hard won lessons about challenging the structural and legal roadblocks to union participation and effectively organizing workers within and beyond the auto industry
