Representative American Short Stories Alexander Jessup, 1946 American Short-story Writers Since World War II. Patrick Meanor, Richard Edward Lee, 2007 Focuses on how writers have established successful literary reputations without having appeared in mass circulation magazines Highlights the role of university presses in the success of many contemporary writers the generally uncommitted and indifferent attitudes of most of the mass circulation publishing houses and the importance of prizes that various organizations award annually and the influential anthologies in which these prizewinning stories appear **James Baldwin's "Sonny's Blues"** Tom Jenks, 2024-07-17 A close reading of James Baldwin s short story Sonny s Blues that provides insight into his life and ideas about art Tom Jenks s reading of James Baldwin s Sonny s Blues

follows a scene by scene sometimes line by line discussion of the pattern by which Baldwin indelibly writes Sonny's Blues into the consciousness of readers. It provides ongoing observations of the aesthetics underlying the particulars of the story with references to Edward P. Jones whose magnificent story All Aunt Hagar's Children bears a knowing relationship to Sonny's Blues to Charlie Parker's music and to Billie Holiday's Am I Blue and John Coltrane's A Love Supreme as part of the musical progression Baldwin creates and with attention to Baldwin's oratorical gifts and the biblical references in the story to its time structure characterizations dramatic action and most of all its totality of effect. Drawing on Baldwin's book-length essay The Fire Next Time which Baldwin published six years after the publication of the short story Tom Jenks offers insight on some of the sources in Baldwin's life for Sonny's Blues and on the logic and passion by which life may be meaningfully transformed into art. *The Best Short Stories of ... and the Yearbook of the American Short Story*, 1937
