**Oscar's Favorite Actors** Roger Leslie,2017-07-14 Just as the Academy Awards have an impact upon stars and their careers their filmic achievements influence the Academy and contribute to the rich history of the Oscars Upset wins jarring losses and glaring oversights have helped define the careers of Hollywood icons while unknown actors have proven that timing sometimes beats notoriety or even talent With detailed discussion of their performances and Awards night results this book describes how 108 actors earned the Academy s favor and how 129 others were overlooked     Killer Story Claire St. Amant,2025-02-18 Follow a journalist and TV producer from 48 Hours and 60 Minutes as she carves out a career in the ruthless knives out world of true crime television one killer story at a time Serial killers Homicidal spouses Sociopathic criminals Claire St Amant has met them all She spent nearly a decade in network television chasing the biggest true crime stories in the country including the murder of Chris Kyle plastic surgeon turned murder for hire suspect Thomas Michael Dixon the Parkland high school mass shooting the disappearance of Christina Morris and serial killer Samuel Little Bringing a true crime story to network television requires quick thinking and tenacious stamina and in her debut memoir Claire offers true crime fans a rare in depth look from the other side of the yellow tape In Killer Story readers will learn what it really takes to get these gripping cases on the air with insights such as How it feels to share space with a dead eyed murderer Which TV show has a reputation for eating their young How reporters win over skeptical cops and reluctant lawyers Why TV journalists are always racing against the clock and competitor sabotage What happens when a district attorney decides journalists have committed a felony The unresolved crimes that still haunt Claire to this day This eye opening look behind the scenes of true crime television offers an unforgettable read and a window into the daily reality of investigative journalism

*Marine Scout Snipers* Lena Sisco,2016-09-01 Author Lena Sisco a former Department of Defense Military Interrogator and U S Navy officer takes the reader through the missions and personal lives of U S Marines who have been forward deployed in hostile environments all across the Middle East She shows how they use the mastery of their sniper skills to mitigate threats and negate the enemy s ability to disrupt U S operations Her book lets you feel the stress and anxiety of

their operational tempo you witness their successes and failures their struggles and lessons learned Snipers are highly trained brave silent killers They undergo specialized training and operate independently with little support from their parent commands close to enemy positions Snipers are chosen based on their marksmanship mental stability patience and physical ability They stalk the enemy while concealed in their operational overwatches to protect our checkpoints and convoys and to direct action missions Despite the renown of Chris Kyle and the extraordinary success of the book and movie American Sniper snipers do not have lead lives of glory and fame their lives are a struggle Serving as a sniper requires that you do your job successfully every time because the consequences of not being successful include the loss of innocent lives or living with other consequences that can haunt a shooter till the day he dies In the end just like any other service members they put their lives on the line willingly to defend our freedom and liberties and our country

*White Supremacy and the American Media* Sarah D. Nilsen, Sarah E. Turner, 2021-11-29 This volume examines the ways in which the media including film television social media and gaming has constructed and sustained a narrative of white supremacy that has entered mainstream American discourse With chapters by today's preeminent critical race scholars the book looks in particular at the ways media institutions have circulated white supremacist ideology across a wide range of platforms and texts that have had significant impact on shaping our current polarized and racialized social and political landscape Systematically scrutinizing every media

platform this volume provides readers with an understanding of the ways in which media has provided institutional support for white supremacist ideology and presents them with the means to examine and analyze the persistence of these narratives within our racial discourse thus offering the necessary knowledge to challenge and transform these racially divisive and destructive narratives White Supremacy and the American Media will be of interest not only to scholars working in critical race studies and popular culture in the United States but also to those working in the fields of Film and Television Studies Sociology Geography Art History Communication and Media Studies Cultural Studies American Studies Popular Culture and Media Studies

The Films of Clint Eastwood Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood's 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work As a collection these essays show that none of these themes account for Eastwood's entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives
