American Women Activists Writings An Anthology 1637 2001:

American Women Activists' Writings Kathryn Cullen-DuPont, 2002-02-11 America's women activists have striven bravely and tirelessly to affect the course of American history. Their story as told in letters, memoirs, diaries, and speeches is as wide and varied as America itself. This anthology begins with the then government's attempt to silence Anne Hutchinson, not permitted to address mixed audiences of men and women in the Massachusetts Bay colony, and leads to the formation of the women's rights movement. Highlights include Sojourner Truth describing her escape from slavery, Alice Walker's assessment of her work to end female genital mutilation, and Margarethe Cammermeyer's attempt to end the military's discharge of homosexuals.

O'Neill Louis Scheaffer, 2002-08-19 The most lauded playwright in American history, Eugene O'Neill, 1888-1953, won four Pulitzer Prizes and a Nobel Prize for a body of work that includes *The Iceman Cometh*, *Mourning Becomes Electra*, *Desire Under the Elms*, and *Long Day's Journey into Night*. His life, the direct source for so much of his art, was one of personal tumult from the very beginning. The son of a famous actor and a quiet, morphine-addicted mother, O'Neill had experienced alcoholism, a collapse of his health, and bouts of mania while still a young man. Based on years of extensive research and access to previously untapped sources, Scheaffer's authoritative biography examines how the pain of O'Neill's childhood fed his desire to write dramas and affected his artistically successful and emotionally disastrous life. *Great*

Short Stories of the Masters Charles Neider, 2002-12-09 Forty-nine short stories selected for their richness of detail, accurate depictions of human passion, and international scope fill this collection. The authors include Americans such as Hemingway, Faulkner, Saul Bellow, and Flannery O'Connor; 19th and 20th-century Western European giants such as Proust, Sartre, Flaubert, Kafka, Mann, Pirandello, Rilke, and Balzac; Russian icons Tolstoy, Dostoyevsky, Pushkin, Turgenev, and Chekhov; and Asian writers Rabindranath Tagore and Lu Hsun. While many of the names are recognizable, though some such as Bunin, Lagerlöf, Nexö, and Svevo rank among the lesser-known, Neider has favored gems less familiar to the average reader. **Katherine Mansfield**

Jeffrey Meyers, 2002-02-11 The works of Katherine Mansfield, 1888-1923, one of England's most gifted short-story writers, have influenced over eight decades of writers. A friend to Virginia Woolf, D.H. Lawrence, and Bertrand Russell, Mansfield left a literary legacy collected in *The Garden Party*, *In a German Pension*, and numerous anthologies. Biographies appearing after her death idealized her, but Meyers sets the record straight in his assessment of the author's life and career, revealing a woman with a self-destructive disdain for convention and respectability. Born and raised in New Zealand, Mansfield threw herself into several love affairs with men and women before living with literary critic John Middleton Murray. Meyers chronicles their tempestuous relationship, one that mixed abuse with devotion, and the years she fought a losing battle with tuberculosis.

Carlisle, 2010-11-15 Elizabeth Packard's story is one of courage and accomplishment in the face of injustice and heartbreak In 1860 her husband a strong-willed Calvinist minister committed her to an Illinois insane asylum in an effort to protect their six children and his church from what he considered her heretical religious ideas Upon her release three years later as her husband sought to return her to an asylum Packard obtained a jury trial and was declared sane Before the trial ended however her husband sold their home and left for Massachusetts with their young children and her personal property His actions were perfectly legal under Illinois and Massachusetts law Packard had no legal recourse by which to recover her children and property This experience in the legal system along with her experience as an asylum patient launched Packard into a career as an advocate for the civil rights of married women and the mentally ill She wrote numerous books and lobbied legislatures literally from coast to coast advocating more stringent commitment laws protections for the rights of asylum patients and laws to give married women equal rights in matters of child custody property and earnings Despite strong opposition from the psychiatric community Packard's laws were passed in state after state with lasting impact on commitment and care of the mentally ill in the United States Packard's life

demonstrates how dissonant streams of American social and intellectual history led to conflict between the freethinking Packard her Calvinist husband her asylum doctor and America's fledgling psychiatric profession It is this conflict along with her personal battle to transcend the stigma of insanity and regain custody of her children that makes Elizabeth Packard's story both forceful and compelling
