Transformed Remi Adeleke, 2019-05-14. What would it take for one young Black man not only to rise above statistics but also become a Navy SEAL, actor, entrepreneur, writer, and successful husband and father? In **Transformed**, Remi Adeleke takes you back to stories from his childhood: from living as Nigerian royalty to losing his father early in life and being stripped financially of everything by the Nigerian government. Following his father's death, he and his mother and brother relocated permanently to the Bronx, where his single mother struggled to provide for the family. Statistics tell us that African American males who grow up in a single-parent household are nine times more likely to drop out of high school and twenty times more likely to end up in prison than any other demographic. While it would have been easy to believe that he could never beat those odds, Remi Adeleke refused to fall victim to that premise. Sharing his incredible journey through the struggles of his life, Remi doesn't shy away from his illegal activities as a young man that threatened to derail his future as a Navy SEAL. He shares how perseverance transformed his life despite all odds, how taking ownership of his mistakes and shortcomings led him to success, his hard-earned wisdom gained over years of struggle, and his belief that the adversities, trials, and tribulations he went through were specific moves by God. At every turn, including throughout his naval career, Adeleke found a way to overcome the odds, even when it didn't make sense. Remi Adeleke's journey of following God's voice, rising above statistics, and experiencing true personal transformation will inspire and move you.
