American Sniper Vancouver Wa:

The Souvenir Louise Steinman, 2008-03-18 A soldier's daughter unravels the secrets of her father's experience in the Pacific Theater in this graceful understated World War II memoir for fans of *The Things They Carried* The New York Times Book Review Louise Steinman's American childhood in the fifties was bound by one unequivocal condition Never mention the war to your father That silence sustained itself until the fateful day Steinman opened an old ammunition box left behind after her parents' death In it she discovered nearly 500 letters her father had written to her mother during his service in the Pacific War and a Japanese flag mysteriously inscribed to Yoshio Shimizu Setting out to determine the identity of Yoshio Shimizu and the origins of the silken flag Steinman discovered the unexpected a hidden side of her father the green soldier who achingly left his pregnant wife to fight for his life in a brutal 165 day campaign that changed him forever Her journey to return the souvenir to its owner not only takes Steinman on a passage to Japan and the Philippines but also returns her to the age of her father's innocence where she learned of the tender and expressive man she'd never known Steinman writes with the same poignant immediacy her father did in his letters Together their stories in *The Souvenir* create an evocative testament to the ways in which war changes one generation and shapes another

American Dental Directory, 1991 **Sniper** Jon

Wells, 2009-10-16 The True Story of Anti Abortion Killer James Kopp Sniper opens in October 1998 near Buffalo NY A man is alone in the dark in a forest He clutches an assault rifle and is thinking about his mission You can cut holes in the fences around the death camps he thinks A trickle of relief in the abortion holocaust It is your duty to do it He nestles the rifle into his shoulder and shoots at his target through the back window of a house then flees Barnett Sepia a doctor who provides abortions is fatally wounded The shooter is James Kopp the son of a Marine who came to embrace the pro life cause and ultimately the notion of justifiable homicide against abortion providers Kopp fancies himself a lone wolf in the movement a celibate man driven to defend the unborn He is nicknamed Atomic Dog in the movement and helps orchestrate assaults on abortion clinics As the story unfolds he becomes the central figure in an international manhunt for multiple shootings in Canada On the FBI's Top Ten Most Wanted list Kopp flees to Mexico Ireland and France Award winning journalist Jon Wells followed Kopp's footsteps traveled to his hometown and interviewed investigators in the U S Canada Ireland and France to tell this gripping detective story and dark psychological drama

Stand in the Fire William Crawford Woods,2023-05-31 From the first shot fired by his grandfather on a jungle trail in 1903 to the day his father captured plans for the Chinese invasion of South Korea William Crawford Woods's family has fought in nearly every American war of the twentieth century Drawing on his family's letters journals official records and other artifacts found in his grandmother's attic Woods has revived their stories accounts of his grandfather who served in the Philippine War and World War I of his uncle who rose from a West Point cadet to staff command in the 11th Airborne and died in action in the Battle of Manila in World War II and of his own father who transformed himself from a sedentary lawyer into a soldier and a spy To lighten the dramatic and emotional load of his family's service Woods occasionally calls on memories of his own time in the army which he calls brief bloodless and largely comic Woods fortifies this work of nonfiction with his skills as a novelist crafting dramatic scenes and engaging dialog offering far more than operational battlefield stories He explores the wider impact of war as we learn of his grandfather's struggles with his wife's patrician parents his uncle's involvement with Cy Caldwell a superstar aviator of the 1930s and his father's swift ascent from civilian to counterspy Stand in the Fire is both an engrossing chronicle of a family who served in every American conflict from the Philippine War to the Cold War and a profoundly personal window into a family's patriotic inheritance This intimately documented history vividly conveys successive generations personal calls to serve tells the stories of their paths to selfhood through military experience

and reflects on how they found fulfillment and adventure in their service as well as evasion of the domestic scene Woods has skillfully created a memoir about the construction of memory forged in military service and American masculinity Stand in the Fire is a powerful exploration of the love between fathers and sons and an attempt to honor family valor I became aware of a debt to my ancestors I felt I could discharge by writing this book Woods writes It was a way of keeping faith with those ancestors Field & Stream ,1973-02 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations *Field & Stream* ,1975-07 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations Field & Stream ,1972-09 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations Field & Stream ,1973-09 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations
