Your Eyes Will Be My Window Jodi Varon, 2023-09-01 Your Eyes Will Be My Window reclaims the two erasures of Esta Plat Murdered in Ukraine by Nazi troops in 1942 evidence of the life of Esta Plat was preserved in a bundle of her letters until the letters were tossed into a dumpster and destroyed Haunted by the inheritance of survivor s guilt and shame in a family that kept no Old World keepsakes except her grandmother s one sentence memory of Esta Plat Jodi Varonis compelled to sift through records

of Europe's genocidal past. Pitting grandiose Holocaust memorials against the act of bearing witness Varon confronts the limitations of history, folklore, archival data, and survivor testimonies. Seeking solace in ritual, she challenges her upbringing as an outlier Jew in the Rocky Mountain West to provide a window to the meaning of cultural displacement in immigrant communities. When an ethnic German woman's corpse was discarded across from Varon's rented flat in Baden-Württemberg, the homemade memorial for Nadine E. prompts a meditation on violence against women and girls as a weapon of suppression and war. The record of unfiltered emotions among Kindertransport survivors in Europe, journalists in Ludwigsburg, and archivists and guides in Jerusalem, *Your Eyes Will Be My Window*, is a defiant exercise in honoring the lost. *Marry Me, Prince!* Eve Healy, 2024-11-22

Emery Ursus is known as the Rose of Ursus within the Loren Empire. As the only legitimate son of the militaristic dukedom of Ursus, his future is set in stone. Unfortunately, as the heir, he's forced to marry a woman and produce heirs, though it's an open secret within his family that he is gay. But in exchange for the power and easy lifestyle, it's a sacrifice he's willing to make. It becomes even more of a boon when it's announced that his bride-to-be is none other than the sole Imperial Princess Hermine Loren. To ensure he's the right husband for the princess, the emperor has asked that Emery come and stay in the capital for a set time before planning the wedding. Emery is only that much more excited as this is his chance to explore and enjoy the capital and the men there. However, in the capital, the only man he is interested in is the second Imperial Prince Gideon Loren. There's a magnetic connection between the two that is inexplicable, but before they have the chance to explore this connection, Emery is murdered by none other than his illegitimate brother in a plot by his father to frame the second prince and start a war to take over the Loren Empire for Ursus. For an unexplainable mystical reason, Emery finds himself reborn just before he's sent to the capital. Knowing what lies ahead, Emery is determined to change his fate, and he plans to enlist Gideon's help. As it turns out, Gideon planned to take the line of succession for himself and overthrowing the militaristic Ursus would be one more notch in his belt. The two join forces ready to change the landscape of the Loren Empire forever, one as the reliable prince and the other as the prince's beautiful fiancée. What they don't know is that their budding relationship has been written in the stars since time immemorial. Is fate on their side, or are they destined for ruin?

The reason for this mess: There was a specific reason for writing all this. In 1979, I was in a horrible car accident resulting in a double concussion, permanent brain damage to my left frontal lobe, and the inability to walk well. Riding a bike and driving a car was far down the road. I lost a lot of language skills, including the loss of German and Puerto Rican, two languages I spoke well. My English suffered a lot, too. The names of things were missing from recall, producing a lot of incomplete sentences. Getting lost often was another reward. I had a doctorate in psychology, which helped the recovery process. At least that part of my memory was not lost, so I began rehabilitation. Stress proved to be a killer. With too much stress, any gains were lost, and I had to start all over again. Learning to meditate helped take the edge off the damage. I needed to recover my word use.

starting with crossword puzzle books I did thousands with increasing improvements It was frustrating to say the least I started writing opinion letters to the newspaper with many published It helped with the continuity and writing After five or six years memories started to recover and twenty years of psychiatry helped me organize the thinking process There are some memories that I would have rather forgotten but The brain is a funny organ If you have a memory that seems incomplete your brain helps by creating a logical fill in Many of my written memories may have two or more versions It still makes a good story so take your pick there is no way I can choose I enjoyed the process of rehabilitation with everyday discoveries lurking around the corner 1 **Killer for Hire** Alexis Abbott,2017-08-01 *Miles of Fear* Suzette
