Nibley, 2014-03-17 The Purpose of this two volume series is to make easily available selections from lectures transcribed and published in four volumes as Teachings of the Book of Mormon by Hugh W Nibley Professor at Brigham Young University The Editor text scanned all four volumes of the series to about half the original by eliminating those portions the Editor felt not necessary to the verses under discussion No other changes were made to the original Nibley four volumes Readers of the Book of Mormon will benefit from Hugh Nibley's extensive historical and linguistic background from a lifetime of study of ancient documents The Editor has made an effort to provide full scripture references at the beginning of each paragraph which were not available in the original editions by Hugh Nibley These references will be helpful to students and teachers of the Book of Mormon The numbers at the beginning of each paragraph refer to the page number of the First Edition of each of the four volumes and will alert the reader to where omissions may be found in the original four volumes The Editor has expanded most chapter topic summaries as shown in brackets Proceeds from this book will be donated to Project Sprouts www.project-sprouts.com which is operated by Mondoro Company Ltd a company designs and manufactures furniture and home accessories in Asia **The Divine Paradox** Roger Ladd Memmott, 2011-10-08 A Compass Book Trade Paperback 130 pages AS NOTED IN THE PREFACE to this tour de force It is virtually impossible to read the scriptures without considering the multitude of contraryisms if not the profound if only apparent contradictions that embody divine truths The Divine Paradox gives consideration to a few of the remarkable and deeply profound paradoxes that lie within the scriptures paradoxes given and revealed by divinity to assure us not only of the nature of our reality but more importantly the nature of our relationship to the Father and the Son As we come to understand the Divine Paradox we come to more fully appreciate the principles that lie behind our free agency the atonement and eternal life We come to more fully appreciate what the Lord means when in Moses 1:39 he tells the ancient prophet For behold this is my work and my glory to bring to pass the immortality and eternal life of man **In the Beginning: Understanding Creation in the Chaos of Life** Emily Christensen, 2018-02-15 A scriptural look at the creation process and its application to everyday life **Greed, Lust and Gender** Nancy Folbre, 2009-10-22 When does the pursuit of self interest go too far lapsing into morally unacceptable behaviour Until the unprecedented events of the recent global financial crisis economists often seemed unconcerned with

this question even suggesting that greed is good A closer look however suggests that greed and lust are generally considered good only for men and then only outside the realm of family life The history of Western economic ideas shows that men have given themselves more cultural permission than women for the pursuit of both economic and sexual self interest Feminists have long contested the boundaries of this permission demanding more than mere freedom to act more like men Women have gradually gained the power to revise our conceptual and moral maps and to insist on a better and less gendered balance between self interest and care for others This book brings women s work their sexuality and their ideas into the center of the dialectic between economic history and the history of economic ideas It describes a spiralling process of economic and cultural change in Great Britain France and the United States since the 18th century that shaped the evolution of patriarchal capitalism and the larger relationship between production and reproduction This feminist reinterpretation of our past holds profound implications for today s efforts to develop a more humane and sustainable form of capitalism Interpreter: A Journal of Mormon Scripture, Volume 24 (2017) Daniel C. European revolutions of 1848 to the collapse of Mormon faith in progress in the 1930s when revolutionary communist and fascist regimes exposed themselves as violent and repressive As the Church bureaucratized and assimilated to mainstream American and capitalist values Mormons became champions of the conservative view of political and social development for which they are known today The first Mormon converts in Mexico and France both political radicals would scarcely recognize the arch conservative twenty first century Church **Mormonism (or the Church of Jesus Christ of Latter-day Saints)**
