## **Be Lifted Up:**

If I Be Lifted Up Samuel M. Shoemaker, 2007-01-16 These sermons represent an attempt to approach the central meaning of the Cross along several confessedly incomplete avenues of approach I think of them as a little circle of converging but incompleting radii all pointing toward and therefore in a sense defining but none of them finally touching the real heart of the meaning of the Cross Were any of us able at last to do this we should unlock the mystery of life itself Even Dr Moberly in his great book *Atonement and Personality* begins by saying Atonement is a reality much too fundamental to human consciousness to be capable of any ready explanation Our explanations at their best are still always partial explanations It is always more than our understanding of it And so it is that one does not hesitate to add his own convictions to the many words that are written and said about the meaning of the Cross of Christ from the Foreword **Lift Up Your Eyes** Clyde E.

*Discourses and Sayings of Our Lord Jesus Christ* John Brown, 1858 *Signs of the Messiah* Andreas Köstenberger, 2021-02-24 That you may believe Have you ever asked God for a sign Throughout Scripture God gave signs to his people whether mighty acts during the exodus or miracles through Elijah and Elisha Jesus was also asked for a sign Yet despite giving seven remarkable signs his people refused to believe him In *Signs of the Messiah* Andreas Köstenberger veteran New Testament scholar and expert on the Gospel of John guides readers through John and highlights its plot and message John s Gospel is written to inspire faith in Jesus By keeping the Gospel s big picture in view readers will see Jesus mighty signs and be compelled to trust more fully in the Messiah Readers will have a deeper grasp of John s message and intent through this short and accessible introduction *The 99 Beautiful Names for God for All the People of the Book* David Bentley, 1999 In a bridge building exercise between Christians Muslims and other people of the book David Bentley traces the

Semitic pre Islamic origins of Islam s 99 names of God He points the reader to Old Testament counterparts of these names as well as to Jesus comparable representations of Himself      □□□□ □□□□ □□□□ Samson Raphael Hirsch,1978 Hebrew text of the Siddur prayerbook with Hirsch s translation and unique commentary in English New revised edition      *A Hebrew and English Lexicon of the Old Testament* Wilhelm Gesenius,1865      **God Revealed in John** Christian Foundation 2010,2010-11-22 For the first time in 2 000 years this book analyzes the Gospel of John and unveils the historical Jesus His identity and image of God All words parables and miracle stories are decoded and interpreted and all unheard of facts and truths are disclosed It is revealed that Peter was a sinner in the village of sinners that Peter James John and Andrew were not fisherman but were spiritual fisherman who preached to the suffering people of the village of sinners and harvested the holy spirit from them that Jesus saved one thousand men by preaching 10 20 times at the villages of sinners for three years that Jesus cleared the temple spiritually not physically with his Word that Jesus Passover meal was not the mutton but the word and holy spirit and that the God s last judgment was concluded in AD 70 These facts are disclosed when the scriptures are read in spiritual language It turns out that the four Gospels Matthew Mark Luke and John have never been interpreted correctly As a result Christianity has lost Jesus for nearly 2 000 years and follows the path of ruin Now it is revealed that the Gospel of John contains astonishing revelations and good news which will rescue Christianity from extinction and lead all mankind to God This book speaks to Biblical scholars Christians who worry about the corruption of churches and extinction of Christianity and those who want to receive the Holy Spirit and meet Jesus and God      *Rider's dictionarie corrected, and with the addition of above five hundred words enriched. Holyoke* John RIDER (Bishop of Killaloe.),1617      **Truly & Falsely Jesus** Saleh Ali,2023-03-06 Jesus Christ is a unique being because of his miraculous birth his ascension and the Second Coming Therefore significant disputes have emerged regarding his reality and mission The Bible itself contains two opposing images of Jesus their parts have been scattered into the chapters of the books of the New Testament Certainly these two opposing images of Jesus cannot of course both be concurrently authentic at the same time But one must be for Truly Jesus and the other one is for Falsely Jesus The two contradictory images of Jesus in the Bible as well as the disputes regarding his reality and his interrelation to salvation as a savior will remain until his Second Coming Then Truly Jesus is manifested to the man of that time and the Falsely will be destroyed But what about a person today Is he aware of the two images of Jesus the true image and the false one that are scattered in the Bible Does he not feel the necessity of exploring Jesus who in his heart whether he is the true one or the false Certainly whoever has based his faith in Jesus on clear and conclusive evidence is rightly guided or else he is in plain error This book is a new analytical study where it assembles all the scattered parts of each of the two contradictory images of Jesus in the Bible highlights them as two complete images examines them explores their differences and how did Falsely Jesus appear and why Also this book presents to those who believe in the Hereafter the proofs of the only

one true formula of salvation and to those who do not believe the proofs of the necessity of an afterlife The hope with this book is to offer the clarity of intention and the ability to distinguish between the two readings of Jesus as presented in this book
