Justice Older Than the Law Katie McCabe, Dovey Johnson Roundtree, 2009. In *Mighty Justice*, trailblazing African American civil rights attorney Dovey Johnson Roundtree recounts her inspiring life story that speaks movingly and urgently to our racially troubled times. From the streets of Charlotte, North Carolina to the segregated courtrooms of the nation's capital, from the male stronghold of the army where she broke gender and color barriers to the pulpits of churches where women had waited for years for the right to minister in all these places, Roundtree sought justice. At a time when African American attorneys had to leave the courthouses to use the bathroom, Roundtree took on Washington's white legal establishment and prevailed, winning a 1955 landmark bus desegregation case that would help to dismantle the practice of separate but equal and shatter Jim Crow laws. Later, she led the vanguard of women ordained to the ministry in the AME Church in 1961, merging her law practice with her ministry to fight for families and children being destroyed by urban violence. Board of Education of Topeka* case of 1954, which declared that separate educational facilities were inherently unequal and therefore unconstitutional, the civil rights movement began to gain momentum. This movement, which was led by such activists as Martin Luther King Jr., espoused nonviolent protest as a means to ending racial segregation and promoting equal rights for African Americans. This eBook spotlights the rise of the civil rights movement, offering students a close look at one of the most remarkable and influential movements in U.S. history. Commanding photographs and special features enhance the exciting text, making this eBook an ideal reference to the civil rights movement.
