## **Raise The Dead:**

Faith to Raise the Dead Michael C. King, 2017-04-09 When Jesus walked the earth he taught his disciples many things but he only commanded them to do a few Heal the sick raise the dead cleanse the lepers cast out demons Matthew 10 8a Raising the dead is a pivotal part of Christianity without resurrection it wouldn't exist The Bible says in 1 Corinthians 15 20 that But in fact Christ has been raised from the dead He is the first of a great harvest of all who have died New Living Translation This book answers the challenge to those commands and to raise up an army of believers followers of Jesus who are ready to reap the great harvest of all who have died Through scripture it lays a groundwork of understanding for this miracle then follow up with practical steps and hard earned wisdom God doesn't need someone special to raise the dead He needs someone willing And if this is you then join the journey to reveal Faith to Raise the Dead In this book we will cover The Goodness of God Power and Authority Faith and Sovereignty Historical and Present Day Resurrections When to Stop Praying The Price of Failure When Prophecies Fail Us Intimacy versus Occult Resurrection Common Questions And Much More

McIntosh, 2012-05-01 A startling 85% of churches in the US are plateaued or declining a trend that has been building for the past fifty years In the face of shrinking attendance and lagging spiritual growth pastors and church leaders are understandably discouraged and demoralized But the first step to turning things around is hope Church health expert Gary McIntosh offers this hope by showing church leaders the first things they need to do to make a new start for their church God can and does restore churches to new life even as he restores individuals The street smart ideas and step by step instructions found in this book are ones that pastors and church leaders can put to use immediately in their churches to bring about solid growth and renewed hope for the future      *The Methodist Quarterly*

*Review*, 1872     **The Antichrist Legend** Wilhelm Bousset, 1896 Wilhelm Bousset 1865 1920 was one of the pioneers in the Religionsgeschichtliche Schule or History of Religions School which established the scientific and comparative study of Hellenistic Judaism and Early Christianity a century ago The Antichrist Legend first published in German in 1895 and translated into English the following year is perhaps Bousset's most remarkable book both for its original argument about the connection of Antichrist to myths of the primordial dragon and for its vast knowledge of patristic and medieval literature This welcome reissue of this classic work features a helpful new Introduction by David Frankfurter     *The Miracles of Jesus* Craig Blomberg, 1986 **STORIES FROM THE BIBLE**     *An Exposition of the Old and New Testament* Matthew Henry, 1856     **The Walk Back to Eden** Melody Westbrook, Emileigh Ziebka, 2023-03-29 God's word his stories surround us every day We listen to podcasts read books and frequent our daily devotionals but do we really allow our lives to change Does God's story become our story Do we allow God to walk us back to true fellowship and relationship with Him Or does our sporadic connection with God's story lie beautifully on the surface impressing others around us without absorbing deep within who we are Even though the Bible is the greatest story written it sits on our shelf positioned strategically allowing us to feel we are of the spiritual realm But what if we pulled it from our shelf and opened it Would we allow the stories of Adam Abraham and Sarah change our lives Would we see the God who saw Hagar Or would we become frustrated reading a book penned centuries ago because it seems inapplicable and dry In *The Walk Back to Eden* authors Melody Westbrook and Emileigh Ziebka take you on a journey through the Old Testament You will walk through the garden of Eden into the wilderness and be locked inside a boat You will feel the dirt between your toes walking the roads of Canaan feel the heartfelt loss as Adam and Eve were kicked out of paradise and sit in the quiet of the unformed universe This book offers practical lessons for today taken from a book written centuries ago You will not want to miss this journey     **Praying for Miracles** Newton Walkin,     **An Exposition of the Old and New Testaments** Matthew Henry, 1833     **The Historical Argument for the Resurrection of Jesus During the Deist Controversy** William L. Craig, 2024-02-22 This volume provides the historical background to its companion volume *Assessing the New Testament Evidence for the Historicity of the Resurrection of Jesus* It traces the history of historical apologetics for Jesus' resurrection from the first century through the twentieth century focusing on its apogee during the Deist controversy in Europe It explores which of the traditional arguments on behalf of the historicity of Jesus' resurrection are obsolete and which still merit consideration today It includes a discussion of the problem of miracles both their possibility and identification which forms the backdrop for any contemporary case for the resurrection     **How to Raise the Dead** Jamie Buckingham, 2019-11-28 The Bible states As you go preach this message The kingdom of heaven is near Heal the sick raise the dead cleanse those who have leprosy drive out demons Freely you have received freely give Matthew 10:7-8 This is a command that is given to all followers of Jesus Christ We hear a lot about going out and preaching about healing and to a lesser degree driving out demons But what about raising the dead Jesus' words are right there We are

to raise the dead But how do we as Christians go about doing that As a believer we can never say that there are some things that are impossible for God But have we ever considered actually praying for a recently deceased person to be raised back up It is scriptural and it is possible In this booklet Jamie reviews the 10 recorded instances in the Bible where real people were actually raised from the dead Then he lists the 3 specific things that must be in place for that to actually occur things that were common to each of the occurrences in the biblical accounts of people being raised from the dead Jamie ends his sermon with the reading of the poem The Touch of the Master s Hand This book will not only instruct you but it gives great insight and wisdom from one of the Christianity s most respected Charismatic and prophetic ministers in the 1970s and 1980s His books sold millions and he was a highly sought after conference speaker For more information about Jamie Buckingham please visit [www.RLMIN.com](http://www.RLMIN.com)      *The True Latter-Day-Saints' Herald* ,1873
