Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *Encyclopedia of Violence, Peace, and Conflict*, 2008-09-05 The 2nd edition of Encyclopedia of Violence

Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

Social Emotional Learning in Middle School Jeffrey A. Rosen, Kesha Hudson, Susan Rotermund, Cheryl Roberts, Anna-Lisa Mackey, 2022-07-14 This article focuses attention on a critical need for more evidence based social emotional learning SEL programs for middle school students First we explore the definition of SEL pointing out how it has evolved as our world has changed We review key SEL domains and skills and describe universal school based SEL programming as one approach to fostering students SEL competencies We highlight the ongoing need for evidence based middle school SEL programs by demonstrating how few programs meet the rigorous What Works Clearinghouse WWC Collaborative for Academic Social and Emotional Learning CASEL and Blueprints standards for evidence We extend our summary of these programs by noting that even when positive effects have been demonstrated these effects were often observed in a single domain such as substance use or outnumbered by null effects which undermines efforts to understand program effectiveness We conclude by considering the unique developmental needs of early adolescents and providing recommendations for the development or refinement of SEL programs that target middle school students
