As Time Runs Out A Simple Guide To Bible Prophecy:

As Time Runs Out Robert Jeffress, 1999 Why should Christians be concerned about the end times when we have so much to worry about in the here and now This kind of short sighted thinking is why so many people pastors and laypeople spend little time studying the prophetic passages of Scripture But understanding biblical prophecy is not only important for scriptural analysis it s imperative for pursuing a full spiritual life **As Time Runs Out** gives you simple step by step instructions on how to interpret biblical prophecy and apply it to your everyday walk with God **Prophetic Guide to the End Times**

Derek Prince, 2008-01-01 What does the Bible have to say about the end times Bible prophecy reveals much concerning the end of the age but for most readers these prophecies can seem vague confusing or downright strange Beloved author Derek Prince assures readers concerned about what the future holds that the Bible s proven record of accuracy extending over many centuries validates its claim to predict future events with authority The secret things may remain hidden from us he says but our responsibility is to study and act on the revealed things And the God who foretells the future is the one who will see us safely through This biblical thorough treatment of end times prophecy from an internationally respected Bible teacher is positioned to become the definitive word on the last days both for Derek Prince s loyal readers and for many new ones who will catch the vision of the glorious victory to come *The Non-Prophet's Guide to the Book of Revelation* Todd

touring in major exhibitions nearly a decade ago people have been moved captivated and inspired by this stunning work of modern sacred art But they often have questions about the illuminations that are scattered throughout the Bible especially as they first become familiar with it Why was a certain Scripture passage chosen for illumination rather than another What materials and source imagery are behind the illuminations The Art of The Saint John s Bible provides answers to these important questions and many others Initially published in a series of three volumes each book has now been revised by the author and included together in this helpful single volume Since The Saint John s Bible is now complete Susan Sink makes connections between recurring images and motifs throughout the work and reflects on the images with a view to the whole

Williams M.A. Ph.D., 2011-08-04 This book is a revolutionary text for revolutionary spiritual times Facing imminent global financial collapse and great adversity for the foreseeable future people will need a powerful faith in God just to survive But who can have great faith if they don't know anything about God and how he works in our lives or if he even exists God reveals spiritual knowledge to mankind not in an even continuous flow but in rare bursts or quantum leaps forward The last such spiritual burst in Christianity occurred almost 2000 years ago with the teachings of the New Testament Since then virtually no progress has been made in terms of spiritual insight into the Bible Even worse scholars today don't understand very well God's lessons from the last burst That's why you'll find even prominent Christian teachers still debating such basic spiritual concepts as the following Can non-Christians be saved What is the role of science and especially evolution in relation to the Bible What roles do free will and predestination play in our lives and salvation Unfortunately while Christian spirituality has remained stuck in the past mankind has pushed ahead into the twenty first century With the explosive growth of knowledge science and global communications Christianity must improve the way it addresses people's spiritual concerns or face irrelevance and eventual extinction This book represents a revolution in spiritual understanding that takes Christianity into the twenty first century and beyond It is the latest burst of spiritual insight 2000 years in coming Mankind's oldest and most vexing spiritual questions are answered here in full accord with logic science and reason In addition the reader will find new insights into understanding the Bible living a spiritual life and for the first time ever a new vision of Bible prophecy and the end of the world There is no book like this *Exploring the Future* John Phillips, 2002-12 John Phillips writes with enthusiasm and
