Around The World In 30 Years Life As A Cultural Anthropologist:

Around the World in 30 Years Barbara Gallatin Anderson, 1999-08-26 Ten cultures Barbara Gallatin Anderson brings to life a range of cultures from the tribal Hmong to a United States military base With humor and a precision born of hands on familiarity with the regions involved she draws the reader into startlingly real identification with other peoples worlds France Denmark Thailand India Morocco Japan Corsica China Russia and the United States Every chapter gives us insight into the ways we identify with basic anthropological themes the challenges of applied fieldwork and the impact of change To a surprising extent the reader becomes the anthropologist with all the highs and lows that are part of life as a cultural anthropologist

Ethnographic Fieldwork Antonius C. G. M. Robben, Jeffrey A. Sluka, 2012-01-24 Newly revised Ethnographic Fieldwork An Anthropological Reader Second Edition provides readers with a picture of the breadth variation and complexity of fieldwork The updated selections offer insight into the ethnographer s experience of gathering and analyzing data and a richer understanding of the conflicts hazards and ethical challenges of pursuing fieldwork around the globe Offers an international collection of classic and contemporary readings to provide students with a broad understanding of historical methodological ethical reflexive and stylistic issues in fieldwork Features 16 new articles and revised part introductions with additional insights into the experience of conducting ethnographic fieldwork Explores the importance of fieldwork practice in achieving the core theoretical and methodological goals of anthropology Highlights the personal and professional challenges of field researchers from issues of professional identity fieldwork relations activism and the conflicts hazards and ethical concerns of community work

Starting Fieldwork Judith E. Marti, 2016-09-09 Published posthumously this incisive work represents the culmination of a career anthropologist s passion for teaching and mentoring With a warm reassuring writing style Marti describes fieldwork techniques some of which distinguish anthropology from the other social sciences and all of which are relevant and extraordinarily useful to young researchers with limited experience Her narrative adeptly intertwines the experiences of seasoned anthropologists with those of novices in order to illustrate the various methodological techniques Starting Fieldwork optimizes foundational methods covered in larger works Further it exposes readers to additional contours of the fieldwork enterprise such as participant observation in virtual places museums and archives as field sites the camera as methodology photographs as evidence the importance of note taking and how reflexivity can enhance research Marti s approach to and treatment of the complexities involved in doing fieldwork including discovering the hidden in plain sight will inspire and boost the confidence of prospective fieldworkers

An Anthropology of Biomedicine Margaret M. Lock, Vinh-Kim Nguyen, 2011-09-09 An Anthropology of Biomedicine is an exciting new introduction to biomedicine and its global implications Focusing on the ways in which the application of biomedical technologies bring about radical changes to societies at large cultural anthropologist Margaret Lock and her co author physician and medical anthropologist Vinh Kim Nguyen develop and integrate the thesis that the human body in health and illness is the elusive product of nature and culture that refuses to be pinned down Introduces biomedicine from an anthropological perspective exploring the entanglement of material bodies with history environment culture and politics Develops and integrates an original theory that the human body in health and illness is not an ontological given but a moveable malleable entity Makes extensive use of historical and contemporary ethnographic materials around the globe to illustrate the importance of this methodological approach Integrates key new research data with more classical material

covering the management of epidemics famines fertility and birth by military doctors from colonial times on Uses numerous case studies to illustrate concepts such as the global commodification of human bodies and body parts modern forms of population and the extension of biomedical technologies into domestic and intimate domains Winner of the 2010 Prose Award for Archaeology and Anthropology *Riding Spirit Horse: A Journey into Shamanism* Michael Drake, 2022-05-22 In this visionary memoir author Michael Drake recounts his spiritual journey into shamanism Drake s engaging narrative moves from his first ecstatic experience as a youth at a church revival to his mystical shamanic awakening transformational pilgrimages to sacred places working with indigenous wisdom keepers to the experiences that prompted his writing particularly his trance experiences riding the drum or Spirit Horse Studying with Native elders and shamans Drake discovered his shamanic gifts as a drummer storyteller and ceremonialist *Riding Spirit Horse* takes readers on a transcendent pilgrimage of the soul through birth death rebirth ritual and ceremony to the frontiers of expanded consciousness *Theory in Social and Cultural Anthropology* R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume *Theory in Social and Cultural Anthropology An Encyclopedia* Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion **Anthropology of Cultural Transformation** I Xudong Zhao, 2024-02-26 As the first of a two volume set on the anthropology of cultural transformation this book discusses the manifestations of cultural transformation in the modern world and explores the re establishment of cultural consciousness Anthropology in the 21st century is confronted with a worldview of cultural transformation based on communication collision and interaction among cultures around the globe This two volume set aims to reorient the role and

function of anthropology by focusing on the reconstruction of knowledge and cultural consciousness in order to better imagine and realize the synergetic interaction between different cultures and civilizations In this first volume the author provides an overview of the key issues and stances of anthropology in the face of cultural transformation The book examines the trend of social and cultural transformation in the modern world and in China It analyzes how the technology of separation brought about by modernity shapes family function and education As a promising solution to this predicament the book elucidates the importance of cultural consciousness in resisting disasters and social syndromes The title will appeal to anthropologists students and general readers interested in anthropology sociology and ethnography Globalization and Transformations of Social Inequality Ulrike Schuerkens,2010-06-10 Social inequality is a worldwide phenomenon Globalization has exacerbated and alleviated inequality over the past twenty five years This volume offers analytical and comparative insights from current case studies of social inequality in more than ten countries within all the major regions of the world Contributors provide an assessment of the overall social globalization phenomenon in the global world as well as an outlook of transformations of global social inequality in the future This book will be a timely addition for students and scholars of globalization studies social inequality sociology and cultural and social anthropology *Satisfying Zambian Hunger for Culture* Mwizenge S. Tembo,2012 The Southern African country of Zambia with 72 tribes has experienced tremendous social turmoil during the last 48 years The 13 million citizens migrated into the cities and professionals immigrated and scattered abroad in a growing Diaspora The diversity of the Zambian society and globalization has created a cultural crisis Satisfying Zambian Hunger for Culture discusses social and political history gender rites of passage food religion witchcraft and recommendations for contemporary life in the 21st century The 17 chapter book puts the diverse Zambian African tribal customs culture and technology into the modern digital age *The Challenge of Epistemology* Christina Toren,João de Pina-Cabral,2011-10-01 Epistemology poses particular problems for anthropologists whose task it is to understand manifold ways of being human Through their work anthropologists often encounter people whose ideas concerning the nature and foundations of knowledge are at odds with their own Going right to the heart of anthropological theory and method this volume discusses issues that have vexed practicing anthropologists for a long time The authors are by no means in agreement with one another as to where the answers might lie Some are primarily concerned with the clarity and theoretical utility of analytical categories across disciplines others are more inclined to push ethnographic analysis to its limits in an effort to demonstrate what kind of sense it can make All are aware of the much wanted differences that good ethnography can make in explaining the human sciences and philosophy The contributors show a continued commitment to ethnography as a profoundly radical intellectual endeavor that goes to the very roots of inquiry into what it is to be human and to anthropology as a comparative project that should be central to any attempt to understand who we are Cultural Anthropology & Human Experience Katherine A.
