Arranging Church Flowers Ina Jones, 2015-12-01 A brand new copy of the long looked for fulfillment of a definite need Ina Jones indispensable handbook on flower arrangements for church services and a guide to appropriate floral decorations Containers kinds of flowers shrubbery are covered Detailed answers to questions from workers who are responsible for arranging flowers suitably for the many and varied church services *Retail Florist* John Wade Rice, 1967 Small Business Bibliography, 1964 *True Latter-Day Saints' Herald*, 1953 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **How-to-do-it Books** Robert Ernest Kingery, 1954 *Gothic Arches, Latin Crosses* Ryan K. Smith, 2011-01-20 Crosses candles choir vestments sanctuary flowers and stained glass are common church features found in nearly all mainline denominations of American Christianity today Most Protestant churchgoers would be surprised to learn however that at one time these elements were viewed with suspicion as foreign implements associated strictly with the Roman Catholic Church Blending history with the study of material culture Ryan K Smith sheds light on the ironic convergence of anti Catholicism and the Gothic Revival movement in nineteenth century America Smith finds the source for both movements in the sudden rise of Roman Catholicism after 1820 when it began to grow from a tiny minority into the country's largest single religious body Its growth triggered a corresponding rise in anti Catholic activities as activists representing every major Protestant denomination attacked popery through the pulpit the press and politics At the same time Catholic worship increasingly attracted young genteel observers around the country Its art and its tangible access to the sacred meshed well with the era's romanticism and market based materialism Smith argues that these tensions led Protestant churches to break with tradition and adopt recognizably Latin art He shows how architectural and artistic features became tools through which Protestants adapted to America's new commercialization while simultaneously defusing the potent Catholic threat The results presented a colorful new religious landscape but they also illustrated the durability of traditional religious boundaries **Florists' review**, 1963 *Catalog of Copyright Entries.
