The Erotic Word David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped **South Western Reporter. Second Series**, 1999 **Western Folklore**, 1963 **The United Service**, 1893 **South Asia and its Others** Atreyee Phukan, V.G. Julie Rajan, 2020-10-27 The essays in *South Asia and Its Others* Reading the Exotic reveal fresh perspectives on the notion of exoticism in South Asia and also challenge and extend existing scholarship in the broader discourse of what constitutes South Asia Significantly the anthology considers how the phenomenon of exoticization may be interpreted as a strategic methodology utilized by writers of South Asian descent to examine critically both the post colonialist ramifications of casteism religious intolerance and gender violence across differing cultural contexts within the region and how current perceptions of native and diasporic South Asian subjects problematize ideologies of authenticity across Western Eastern divides The papers in this collection show how authors of South Asian ethnicity construct their own version of an exotic South Asia globally and the colonialist discourse of exoticism is employed as a discursive tool that uncovers the ambiguity that continues to mark the marginality of identities even today **The Oxford Companion to Classical Civilization** Simon Hornblower, Antony Spawforth, Esther Eidinow, 2014 This Oxford Companion to the ancient classical world is aimed at the general reader interested in learning more about the very bedrock of Western culture covering such topics as history morals mythology medicine and social life *The Living Church*, 1999 **Cooperative Economic Insect Report** United States. Second series. N.W. 2d. Cases argued and determined in the courts of Iowa, Michigan, Minnesota, Nebraska, North Dakota, South Dakota, Wisconsin**, 1963 **Liturgical Liaisons** Jamey Heit, 2013-01-10 When Jesus offers his body as a promise to his disciples he initiates a liturgical framework that is driven by irony and betrayal Through these deconstructive elements however the promise invites the disciples into an intimate space where they anticipate the fulfillment of what is to come This anticipatory energy provides the common thread between Donne and Dickinson who draw specifically on the unstable story that unfolds during the Last Supper in order to develop a liturgical poetics By tracing the implications of the body as a textual presence *Liturgical Liaisons* opens into new readings of Donne and Dickinson in a way that enriches how these figures are understood as poets The result is a risky and rewarding understanding of how these two figures challenged accepted theological norms of their day *Strange Truths in Undiscovered Lands* Nahoko Miyamoto Alvey, 2009-01-01 *Strange Truths in Undiscovered Lands* examines the ways in which Shelley developed a Romantic geography to provide visionary alternatives to an earth devastated by a new type of European
