Counter-Narrative and Ambivalent Discourse Toward Christianity in African Postcolonial Literature Tatang Iskarna, 2023-05-02 The book Counter narrative and Ambivalent Discourse towards Christianity in African Postcolonial Literature explores the encounters and conflicts between Christianity and African traditional culture represented in three African postcolonial literature Achebe's Arrow of God Thiong'o's The River Between and p Bitek's Song of Lawino Using postcolonial perspective this book reveals a counter narrative discourse against the arrival of Christianity in the three African postcolonial literary works and highlights the ambivalent nature of this resistance as the authors cannot escape the trap of conformity to Christianity and Western hegemony Christianity as a missionary and culturally destructive religion in postcolonial Africa is considered complex religion that can have both positive and negative effects on traditional African societies While it can be a ideological tool of colonialism that destabilizes the fabric of local life it also provides solutions to some local problems This new religious belief disrupts the social structure and cultural traditional in the context of African postcolonial society

Critical Perspectives on Chinua Achebe Catherine Lynette Innes, Bernth Lindfors, 1978 Obsidian, 1978 **The Fall of Lucifer** Carole Cummings, 2024-06-10 Before the earth existed Lucifer was created by God as a perfect and beautiful cherub His four faces represent the image of the man the lion the eagle and the ox His two sets of wings and outer garment or covering of brightly shimmering gems and even gold was glorious With these magnificent attributes and perfection God the Father elevated Lucifer to a position of power After becoming prideful and obsessed with himself Lucifer sinned and

attacked heaven with his army of angels Jesus described the scene saying I saw Satan fall like lightning from heaven Luke 10 18 Satan took his angels and cherubim with him Revelation 12 4 How could sin change this favored cherub into what is described as an evil dragon or serpent His sin as in all sins separated him from God Without God doing what is right is impossible Satan's idea of right no longer coincided with God's point of view For example Satan was now able to lie God will never lie Numbers 23 19 There is much written about Satan his fallen angels the fallen angels offspring and the demonic forces he controls With scripture as our anchor we will explore Apocryphal books legends across the globe and archeological records to confirm what the Bible says about Satan Even the unspoken record found in the names of stars The zodiac and decan constellations have much to reveal about this enemy of God and man Find out what Satan does not want you to know

Chinua Achebe Toyin Falola, 2024-10-17 An imaginative narratological reading of Chinua Achebe's novels stories poetry and essays through a literary and historical framework Toyin Falola analyzes fictional and historical cartographies of Africa in Achebe's literary works to offer a critical representation of Africa's present and future In particular he focuses on the historical valuation of a full range of the writer's works novels including *Things Fall Apart* but also short stories poems and essays as important materials that have contributed to the political events in Nigeria and by extension Africa The raw creativity found in Achebe's stories and his ability to tell the Nigerian story precolonial colonial and postcolonial have endeared him to many including readers and those critical of him and his works Chinua Achebe *Narrating Africa in Fictions and History* analyzes all of the writer's works dwelling on the Nigerian political context upon which many if not all of his narratives lie As a result it examines methodologies of narration and ideologies that allow his works to resonate with the imagination of Africa *A brief summary of the history and doctrine of the holy Scriptures* John Milner (bp. of

Castabala.), 1819 **Achebe's World** Robert M. Wren, 1980 This volume places each of Achebe's first four novels *Things Fall Apart* *No Longer at Ease* *Arrow of God* and *A Man of Peace* in its historical context The author contrasts the content of the works with what might have been actual events or practices during Nigeria's colonial occupation [Summary of Iliad by Homer](#) getAbstract AG, 2019-09-17 Homer's *Iliad* tells a tale of war war as the moment when men can become great as the moment when men reveal their flaws and as the tragedy of suffering and lives lost individual personal and pitiable In Homer's story neither side is right or wrong heroic or villainous They're both broadly of the same culture share the same hopes and dreams suffer the same fears and pains and at another time could be sharing each other's hospitality The events that brought the Archaic Greeks to the walls of Troy aren't entirely within the control of the human protagonists and even when they attempt to halt the bloodshed outside forces the gods conspire against them And yet this seemingly meaningless endeavor is what gives each warrior the chance to achieve immortality through his actions Even today when many see war as distant and far removed from their day to day lives this central contradiction of human activity remains at the heart of life Being human is about getting up and facing challenge This tale of a strange war in a strange time continues to resonate across the

centuries This summary of Iliad was produced by getAbstract the world's largest provider of book summaries getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there Find out more at getabstract.com **Homer: the Iliad [a summary]**. Ephesians and Artemis Michael Immendorfer,2017-06-12 In this study Michael Immendorfer examines the relationship between the New Testament letter to the Ephesians and the ancient city of Ephesus which had the great Artemis as its goddess He seeks to make a contribution to the discussion on the extent to which conclusions can be drawn concerning the local historical explanation of New Testament epistles by viewing the latter through the lens of Greco Roman cultic practices Thus the contents of Ephesians are compared with the abundantly available archaeological and epigraphical sources of the Asia Minor metropolis This endeavour reveals that the letter contains numerous unequivocal references to the cult of Artemis a nexus suggesting that the author was very familiar with the historical background of ancient Ephesus and contextualised his letter accordingly for the intended readers who lived in this particular cultic environment **Thy Will Be Done On Earth** Robert Lloyd Russell,2008-09 Do not be foolish but understand what the Lord's will is Ephesians 5:17 niv Confidently understand God's desire for you Increase your Christian maturity with Godly inner convictions Make decisions according to God's specific desires for you Live the Christian life you desire and God wants for you Reviewers say I was blown away by the book exciting a quality work Very rewarding both the new Christian and seasoned Christian will find it instructive This is absolutely great It is a must for any Christian to understand and apply these elements It is very practical easy to read and nicely presented and it will be helpful to many people Easy to read easy to understand and deals with substantial issues I especially appreciate the way it places the understanding of God's will in the context of basic Christian discipleship Thy Will Be Done On Earth provides A clear foundational presentation of God's will The Christian Life Model the general will of God The Christian Guidance Model God's specific will for you Robert Lloyd Russell has a Master of Christian Leadership Degree from Western Seminary and has been a popular Bible teacher for over forty years *An Analysis and Summary of Old Testament History and the Laws of Moses* James Talboys Wheeler,1870 **The Armor of God** David Skeba,2011-07-28 There is a mighty spiritual war raging all around us You have sensed it felt it and hoped it wasn't quite so real It's all happening right here right now in YOUR life David Skeba reveals why your life is the way it is and how you can change it for the better We are born into a world where we find ourselves caught in the midst of Satan's war against God's kingdom The battle is for our very souls and for the glory of God We have become the targets We are the prize Open your eyes and discover an invisible world you never knew existed What you don't know can hurt you Learn how to fight enemies you cannot see so you can victoriously finish your journey on earth and then live with God forever **Secularism** Mike King,2007-11-29 Spirituality is a difficult subject in the modern world Everywhere from popular media to the university from the bookshelf to

the dinner table religions are derided or marginalised and public figures such as Richard Dawkins set upon anyone who admits to a belief in God It seems that science and religion are fundamentally at odds and that a mutual respect is unacceptable to either in their parallel pursuit of truth Yet the majority of Enlightenment authors engaged with both science and spirituality and did not lose their faith Today we tend to see these authors as not having applied full scientific rigour to their religious beliefs but are we correct in dismissing this aspect of their lives so easily In *Secularism* Mike King examines the elements of religion philosophy and science which have contributed to an almost total disavowal of spirituality by contemporary western intellectuals He engages with a wide range of thinkers including Pythagoras Marx Spinoza Darwin and Nietzsche and incorporates detailed studies of a variety of spiritual leaders some of whom readers are unlikely to have considered in this way before to uncover why the western world no longer has any interest in devotion or accords it any respect

Ecclesiae Primitiva Notitia: Or, A Summary of Christian Antiquities ... Joseph Bingham, 1722 *Theology and Social Issues in Africa* Francis Anekwe Oborji, 2020-11-22 The Volume speaks to us from the heart and engages the socio political concerns in the Nigerian context through the lens of a theological approach The author reflects historically the numerous consequences of the amalgamation of the ethnic groups of different orientations in Nigeria into one socio political structure of the colonizers interests This sociopolitical structure raises several questions than answers it pretends to offer the indigenous people From a Nigerian point of view the articles in this volume critically challenge the unjust formation of any nationhood in the Africa context It points out how the sustenance of an unjust nation formation betrays the creed on which such a nation is established Truth conquers all is the spirit with which this Volume is written It is the truth that will set a nation like Nigeria free from the spirit of confusion and unperceived religio socio political syncretism The awareness emanating from this volume suggests liberating steps from the unsuspecting colonial interests and the sustained feigned relationship with the colonizers which militate against the socio political and economic growth and theological orthodoxy of such a growing nation
