Drawing Human Anatomy Giovanni Civardi, 2018 A beautifully visual and informative guide to drawing the human form from the bestselling and renowned Italian life drawer Giovanni Civardi. From the bestselling world renowned life drawer Giovanni Civardi comes this latest edition of the concise guide to drawing the human form. To become a successful artist in figure drawing it is essential to understand the inner workings of the human body but the complex nature of our anatomy makes the process of learning to draw it often daunting. In Drawing Human Anatomy Giovanni Civardi breaks down the numerous components that make up our bodies into easy absorbable chunks from the skin right down to the skeleton. Beginning with easy to follow summaries on the makeup of human anatomy along with advice on how to depict the human figure on paper the book delves straight into our inner mechanics to get you started on your drawing journey right away. In addition each muscle and skeletal structure is accompanied by a clear diagram indicating its location on the body and a drawing of the form in Giovanni's much loved drawing style. With dozens of illustrations explaining the relationships between our bones and muscles and with a wide range of body positions covered front and back and rest and motion this is an exceptional practical guide to producing anatomically correct drawings for artists of all abilities.
