As We Await Blessed Hope:

As We Await the Blessed Hope Mark Kyriakos, 2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries Patrick Navas, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian s faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no

That Blessed Hope for every Christian Charles G. ROBSON, 1867 **Hope: Promise, Possibility, and Fulfillment** Edited by Richard Lennan and Nancy Pineda-Madrid, 2013 Crafting a theology of hope this book addresses both the possibility that hope offers and the capacity of hope to respond to the challenges that life presents to us all The Gnostics, the New Versions and the Deity of Christ Jay P. Green, Sr., George Whitefield, 2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ's goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it **American Benedictine Review Preview** Sophia Geng, Rev. The Flow of Endtime Events Richard Suchy,2003-04-06 A personal relationship with Jesus Christ and the leading of the Holy Spirit are required as first steps in understanding the Bible God then requires that believers diligently study His Word with open hearts and minds as they seek His truth This book is intended as a study aid in understanding Bible prophecy Questions addressed include How will victory over world terrorism lead to something even more horrifying What can we deduce about the personality and cultural background of Antichrist What part does the ancient Wailing Wall in Jerusalem play in prophecy Why do so many people believe in a seven year Tribulation when the Bible teaches that the first half of this period is a time of peace How will religious freedom lead to the outlawing of true Christianity Why will God allow His people to suffer at the hands of Antichrist Why do so many people believe in the imminent return of Christ when the Bible clearly indicates that certain events must happen first Why will most of the earth s population look to Satan as the world s hope of salvation and see Jesus Christ as the super villain of the universe

Lectures on the Book of Revelation William Kelly,1871 Wake Up! The Time is Now! Jamie Ausmyth,2023-04-12 Have you ever thought to yourself There has to be more or Where s the love man I grew up in several churches and knew that something wasn t quite right when it came to how they taught us about God and Jesus leaving the Holy Spirit out altogether I had always wondered If God is love then why do some preach hatred or become shepherds that beat their sheep I always felt that if I m already damned for everything I do good or bad then why try The truth is that Jesus came to show us who we are in Him and who we truly belong to our Heavenly Father and the eternal lover of our souls God doesn t need or want another religion He wants a relationship with His children each and every one of us on earth not just the saints but the sinners as well All saints were once sinners and sinners are just saints who have not woken yet I asked God once Why don t we see you like the world once did and He said I ve been waiting for you I can do it all by myself but I want to do it with you In this day and age if you have been asking When will we have another revival the Holy Spirit is saying It will start when you start it So wake up The time is now Awaken to the truth of who you are We can have faith in Jesus we can put our hope in Jesus and we are truly loved by the Creator of the universe As children of God we must know what was promised to us and stand on those promises here on earth so let s help bring heaven down heaven on earth
