The New England Primer Boston 1777 Patriotic Textbook Series By John Cotton:

The New-England Primer John Cotton, 2018-02-06 John Cotton penned his primer and catechesism in the 1600s but the Puritans brought it with them when they came to America where it flourished. Indeed, one of our earliest copies available is this facsimile version from 1777 which was sub-titled *Improved for The More Easy Attaining the True Reading of English*. Witness in this careful reproduction how seamlessly the teaching of literacy in the colonies was with teaching of Christianity. Many reproductions of this primer are small and hard to read but this edition has slightly increased the size of the text so that it is more readable. As with any facsimile, all the flaws will by definition be retained. On the same measure, all the aspects that made the work great remain too.

The New-England Primer Gary Sanseri, Wanda Sanseri, 1993 **The New-England Primer [1777 Facsimile]** John Cotton, 2014-02-2014 Reprint of 1887 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. This is an exact reprint of the 1777 edition printed at Boston by Edward Draper. The first edition of the primer was printed as early as 1690 but no known copy exists before 1761. The New England Primer was the first reading primer designed for the American Colonies. It became the most successful educational textbook published in 18th century America and it became the foundation of most schooling before the 1790s. In the 17th century, the schoolbooks in use had been brought over from England. By 1690, Boston publishers were reprinting the English Protestant Tutor under the title of *The New England Primer*. The primer included additional material that made it widely popular with colonial schools until it was supplanted by Noah Webster's *Blue Back Speller* after 1790.
