The Proposal The Proposition 2 By Katie Ashley:

The Proposal Katie Ashley, 2013-01-18 Aidan struggles to win back Emma's heart as a new man enters her life. In the weeks following Aidan's betrayal, Emma has tried her best to move on. Ignoring his countless texts, voice mails, and flowers, she isn't sure she wants to be won back by him. *The Proposition* Katie Ashley, 2012 With her thirtieth birthday looming, Emma Harrison finds her biological clock clanging and the elusive knight in shining armor yet to appear. She's running out of options, especially after her gay best friend backs out from being her sperm donor. Of course, there's always a sperm bank, but Emma fears a donor mix-up might impregnate her with the spawn of Satan. Resident company womanizer Aidan Fitzgerald is used to always getting what he wants, especially in the bedroom. When Emma spurns his advances at the company Christmas party, he's determined to have her no matter what it takes. After Aidan learns of Emma's predicament, he is quick to offer a proposition that will benefit them both. He will father Emma's child, but she must conceive it with him naturally. Not one for hook-ups or casual sex, Emma is reluctant to take him up on his offer, but his charm coupled with her intense desire for motherhood wins out. Soon their baby-making sessions become more than just physical. Aidan can't seem to walk away from her while Emma begins to wonder if Aidan could be the one. But can Aidan leave his past behind to become the man Emma needs him to be. **Redemption Road: Vicious Cycle 2** Katie Ashley, 2015-10-06

For fans of *Sons of Anarchy*, Kristen Ashley, Madeline Sheehan, and Joanna Wylde, New York Times bestselling author Katie Ashley revs up the danger and sexual tension in her *Vicious Cycle* biker romance series. Looking for a walk on the wild side, Annabel Percy, the daughter of a powerful politician, starts dating a biker she knows is completely wrong for her. But she finds herself living a nightmare when she's kidnapped and transported into a hell on earth she never could have imagined. Born and bred into the Hells Raiders MC, Nathaniel Reverend Malloy lives and dies for his brothers. But when he becomes the unexpected savior of a rival club's captive, Rev makes it his personal mission to nurse Annabel back to health and to shelter her from the nightmares that torment her. Once Annabel heals, she's stunned to realize she is falling for the seductive man who saved her. Faced with their impossible attraction, can she accept the life he leads or will Rev walk away from the only life he's ever known for the woman he was never supposed to love. Want more sexy, gritty biker romance? Return to the dangerous and seductive world of the Hells Raiders motorcycle club in *Vicious Cycle* and *Last Mile*. Sister Janet Brian Best, Katie Stossel, 2006-04-30 Janet Well's achievements make for fascinating reading. She was only 18 when decorated for her nursing service to the Russians in the 1878 Balkan War. The following year she became the only nurse to serve at the front in the Anglo Zulu War. After a period in Northern Zululand, she was sent to the garrison at Rorke Drift very soon after the legendary action. Revered by the soldiers she had to make do in appalling conditions with scant supplies. She overcame extreme difficulties and prejudice despite her youth. After returning to England in time for her 20th birthday, her achievements were recognized by the award of the Royal Red Cross, the highest accolade and the equivalent of the Victoria Cross. This is a gripping tale of a true heroine who refused

to accept the conventions of the age and in so doing made a huge contribution to the welfare of the British Army **The Saturday Review of Politics, Literature, Science and Art** ,1861 **The Party and Predicament** Katie

Ashley,2017-04-12 The Party Coming off a break up with his latest friend with benefits the last thing Aidan Fitzgerald needs is a family hassle about his bachelor status But after standing up as godfather for his great nephew Mason that s just what he gets at the Christening Party Escaping the wrath of his father and sisters he wants nothing more than to get to the company Christmas party There he knows he can knock back a few stiff drinks and find some new no strings attached girl to take home for the night The last thing Emma Harrison wants is to attend another party least of all one at work After throwing the annual life celebration for the anniversary of her fiancée s death with close friends she s finally gotten the courage to take matters into her own hands and become a mother Convincing her slightly inebriated best friend Connor to be her sperm donor was a lot easier than she thought and all that s left now is to start the process But at her best friend and work colleague Casey s insistence she decides to make an appearance at the company Christmas party for her new boss s sake Neither Aidan nor Emma could imagine what fate had in store for them at the party The Predicament Unlike her best friend Emma Fitzgerald Casey Rossi had never been overly maternal She much preferred parties with Patron to Pampers and pacifiers Most of all she enjoyed a healthy sex life with her husband Nate But all that changed with the birth of their daughter While motherhood is a thrilling new adventure and her love for Nate grows even stronger seeing him be a wonderful father Casey can t ignore how stagnant things have become between her once steamy sheets Between her exhaustion and Nate s schedule at the hospital there s little time or energy for sex She can deal with sporting spit up stained clothes and a few sleepless nights but she can t abide losing the white hot connection with her hubs No matter what it takes Casey is determined to resuscitate her flat lining sex life She starts out seeking the advice of her friends Emma and Megan But she s desperate enough to try anything that she even solicits the advice of reformed manwhore Aidan Fitzgerald which turns into a fiasco of epic proportions Will any of Casey s intentions be successful at reigniting her lost bedroom heat or will they fail and cause matters to fizzle even worse It s one hell of a predicament **The Examiner** ,1853 **The Pairing**

Brit I never imagined a twist of fate landing me a position in the United States Secret Service and protecting the President's son. But then my boss made an unexpected request: leave my current placement to move in with his only daughter to give an added layer of protection against the threats she had been receiving. I'd never lived with a woman who was off-limits to me. It wasn't just that Caroline had a boyfriend. She was my best friend's sister and my boss's daughter. But the longer we're in such close quarters together, the greater the temptation grows. But I know I'll lose everything if I pursue her. Growing up as the only girl with two overbearing older brothers, I'm no stranger to being overprotected. Just as I finished up college and prepared to truly dip my toes into the adult world, my father was elected President of the United States, which added a whole new level of protection with the Secret Service team attached to me. Just when I thought I couldn't possibly be more smothered, I began receiving threats, and my family decided it wasn't enough to just have an agent living down the hall from me. Nope, I was to have one move in with me, and not just any agent, but Ty Frasier, my brother Barrett's best friend and my brother Ty's head agent. While most women would enjoy living with a sexy buff Brit, having a roommate threw a wrench into all my plans. Especially when I began noticing Ty was so much more than a hot guy; he was someone I could fall for. Stand alone set in the world of *Running Mate* and *Office Mate*. Majority-minority Relations John E. Farley, 2005. Current Law Index, 2007. **Last Mile** Katie Ashley, 2016-05-03. Katie Ashley, the New York Times bestselling author of *Redemption Road* and *Vicious Cycle*, returns to the dangerous and seductive world of the Hells Raiders motorcycle club. After her father was murdered in the line of duty, ATF agent Samantha Vargas is determined to take down the scumbags of the drug trade. When her partner takes on a case to infiltrate the Hells Raiders MC, Samantha agrees to go undercover as his old lady, but is surprised to find herself drawn to the very man she is investigating. Benjamin Bishop Malloy has worked hard to carve a place for himself both in and out of the MC world. Working days as a mechanic, he spends his nights rebuilding motorcycles with the hope of one day owning his own shop. After taking one of the club's new hangarounds under his wing, Bishop is conflicted over his growing attraction for the man's girlfriend. Even though she's determined to bring down the Raiders, Samantha discovers their world isn't as black and white as she thought. And as the stakes grow higher, she's in danger of losing more than her heart. *Office Mate* Katie Ashley, 2018-05-26. Thorn. From the first time I played army as a kid, the military has been my life. As an Airborne Major, I'd led my men through two tours in Afghanistan. But when my father was elected president, I became an even greater target for the enemy, a prize for someone to take out. To ensure not only the safety of myself but of my men, I got stripped of my cammies, shoved into an Armani suit, and placed into a management

position at my father's company After years of trekking through the desert with an assault rifle I was way out of my area of expertise which my transition coordinator was more than happy to let me know on a daily if not hourly basis The brunette bombshell would be the death of me in more ways than one especially since I hadn't been with a woman since my last deployment She's turning out to be one of the greatest foes I've ever done battle with Isabel In the backwoods Georgia town I was born in you either married right out of high school or got the hell out of town I chose the second and never looked back After graduating top in my class I started working for The Callahan Corporation Fast forward five years and I was about to become the youngest female manager in the history of my department And then all the blood sweat and tears I'd put into my career were for nothing when the boss's billionaire son was handed my position on a silver platter Not only that I was expected to help transition him into the job that was supposed to be mine Sure he's easy on the eyes with his chiseled good looks and impossibly built physique but I'm not going to let that distract me I hope soldier boy is good at military strategy because sabotage is the name of the game I'll be playing
