The Rising By Brian Keene:

The Rising Brian Keene, 2015-03 Go back to the beginning of the end of the world Hell has come to earth as sadistic zombies rampage and massacre the human population Reverend Thomas Martin has lost his congregation to the chaos but he found two wayward survivors to protect Becky and John The three of them have holed up in Martin's church in a desperate attempt for survival But as supplies run low and civilization crumbles around them Martin must come to a realization God has abandoned them But why Is there any chance of hope in this new world Is there any chance for deliverance Modern horror legend Brian Keene returns to his fan favorite universe of *The Rising* with a tale of faith loss and zombies This special edition also includes two short stories that expand and explore *The Rising* mythos *The Resurrection and the Life* and *The Siquism who Stole Christmas* *The Rising* BRIAN. KEENE, 2024-12-03 Brian Keene writes like a force of nature F Paul Wilson

Twenty years ago multiple Bram Stoker Award winner and World Horror Grandmaster Brian Keene's *The Rising* was credited with revitalizing the horror fiction genre and giving zombies an upgrade In the decades since then the series has spawned three sequels and earned generations of eager fans from all walks of life united in the hope that the author would return once again to the franchise This is that return *The Rising More Selected Scenes From the End of the World* features a splattering of new stories set within the world of Brian Keene's *The Rising* franchise complimented with original illustrations by Anthrax's Charlie Benante Featuring tales set both before and after the events of the previous books it will appeal to long time fans and new readers alike Brian Keene's *The Rising More Selected Scenes From the End of the World* zombies just got another upgrade ***The Rising*** Brian Keene, 2003 From the Bram Stoker Award winning author comes this thriller about a man who embarks on a cross country trip to save his son after a plague turns nearly all of America's population into zombies Original

Exploring The Labyrinth Kit Power, 2025-10-13 On the surface Kit Power seems like a successful horror writer three time BFA finalist two time Splatterpunk winner and author of the celebrated *My Life in Horror* essay series But that affable facade hides a terrible secret he never read the works of Brian Keene on initial publication Podcaster Philanthropist Stoker winner World Horror Grandmaster Brian Fucking Keene With this book Power starts to unfuck that And he's taking you along for the ride With a foreword by splatter legend Eric LaRocca what follows is a horror enthusiast's first read peek at each of Keene's full length fiction pieces from *The Rising* 2003 to *Alone* 2011 covering the Leisure Books years and much much more But it's also Power's story the firsthand account of a young writer finding his voice as he examines the work of one of the greats who went before And finally it's Keene and Power together This volume concludes with an exclusive heartbreakingly intimate interview you'll never find anywhere else So keep a popcorn box full of eyes out for *The Thirteen* and join Power as he takes you *Exploring The Labyrinth* **Gold Digger #237** Fred Perry, Tiffany Gia's all set to explore and learn and maybe be a hero in Civ Alpha as part of her Aunt Gina's advanced archaeology class But Gina's substitute Prof Trixie Rabinowitz ex ruler of Graceneria and big sister of mercenary Dark Bird figures a Saurian playground's a nice safe dull
