The World Of Nasrudin By Idries Shah:

The World of Nasrudin Idries Shah, 2020-02 Nasrudin is the greatest of all Arab folk heroes and is found across the Islamic World from Morocco to Pakistan and beyond He is said to have been the wisest fool who ever lived that is if he ever did live at all Stories of Nasrudin s many incarnations are studied by Sufis for their hidden wisdom and are universally enjoyed for their humour Sometimes Nasrudin is an impoverished itinerant or stallholder and at others he is the mayor judge vizier or even the King The World of Nasrudin is the fourth book in the corpus written by Idries Shah and is the last to be published by the celebrated Afghan author *The World of Nasrudin* Idries Shah, 2003 Stories of Mulla Nasrudin appear in oral traditions and literature from the Middle East to Greece Russia to China Many nations claim Nasrudin as a native son but nobody really knows who he was or where he came from Whether the stories are studied for their humour or hidden wisdom they help us understand our world and ourselves **Idries Shah Documentation** ,1979 *Idries Shah Anthology* Idries Shah, 2019-03-01 In his writing about Sufism Idries Shah did some revolutionary things Critically and almost alone he said that it was possible to divorce the essence of Sufi philosophy from what he insisted were secondary accretions of Islamic culture and religion Moreover he said in making this material available to the West you could not only do this you must do it This is because he believed you can only absorb materials that are designed for your own time and place Sufism as an essence may be truth without form but in order to penetrate into the human mind it must be delivered in a package shaped to fit the receiving culture When something new enters a culture there is a period where like a new object being thrown into the chimpanzee pen at a zoo all the chimps rush over to touch it throw it on the floor fight over it and so on he once told me We must wait until the dust settles only then will people be in a position to assess this material My father died in 1996 and the dust is settling fast He leaves a body of work behind and on this work alone he believed he should and would be judged This anthology is intended to provide a basic sample of his work an essential reader to allow people to do exactly what he would have wished them to do to think for themselves and to make up their own minds From the Editor s Note by Saira Shah

The Elephant in the Dark Idries Shah, 1974 As our world continues to shrink we are being brought headlong into often explosive contact with other cultures and religions Islam continues to be for many a mysterious and misunderstood force alien to our own cultural values Yet in more ways than expected Christianity and Islam share common ground For centuries Sufi thinkers have been linked to both religions in certain important ideas But like the elephant in the dark in Jalaludin Rumi s classic fable these ideas are not grasped in full by seizing parts of the whole and arguing for or against their supposed Christian or Islamic derivation From a series of lectures given by Idries Shah at Geneva University The Elephant in the Dark shifts focus to more fruitful ground tracing documented episodes of cooperation and understanding between Christians and Moslems over the past 1 400 years Extraordinary Adventures of Mullah Nasruddin ,2014 This much anticipated sequel to the award winning collection detailing the exploits of the beloved 800 year old Turkish wise fool Mullah Nasruddin presents

well over 250 hilarious and authentic folktales dozens appearing in English for the first time Author Suresha has done extensive research to unearth many of these centuries old racy tales of the naughty Nasruddin stories previously suppressed for moralistic reasons which explore taboo themes as the Mullah interacts with his family community and strangers during his many journeys Readers will be amused as well as amazed by this unadulterated account of the truly Extraordinary Adventures of Mullah Nasruddin

The Patchwork Cloak of Kamal Bey John Zada,2025-09-15 A captivating travel memoir set in the Middle East about cross cultural dissonance and a quixotic quest to find home While travelling to his grandfather's ancestral town in rural eastern Turkey journalist John Zada is mistakenly hauled off an overnight bus at a military roadblock and pulled into a dragnet searching for outlawed rebels During that abrupt encounter Zada experiences a series of vivid flashbacks from his life and travels in the Middle East which led him to that dangerous moment The Patchwork Cloak of Kamal Bey An East West Memoir is a collection of interlocking travel stories tied to a decades long quest through the Arab World to find a more enduring sense of home Born to westernized Arab parents and driven by his discontent with North American life Zada throws himself headlong into the Middle East to find what he believes to be the missing part of himself That journey first as student and then as a roving journalist takes him from the cosmopolitan boulevards of Cairo Beirut and Dubai to the far flung mountains of Kurdistan and the Sahara Desert Mirroring the author's wanderings is his lifelong mentor Kamal Bey a spinner of yarns with a secret government job who like Zada also uncomfortably straddles civilizations A kaleidoscopic memoir that is also a travelogue and work of reportage evoking the writing of Ryszard Kapuściński The Patchwork Cloak of Kamal Bey is at its heart a reverse diaspora story Its pastiche of surreal and remarkable tales serves as an oblique warning about the danger of identity obsessions
