The Rachel Papers By Martin Amis:

The Rachel Papers Martin Amis, 2010-12-23 Charles Highway is every mother's worst nightmare. Precociously intelligent, mercilessly manipulative and highly sexed, Charles devotes the last of his teenage years to bedding girls and evading the half-arsed overtures of his distant parents. That is, until he meets the aloof, wildly unattainable Rachel. As Charles's twentieth birthday and the Oxford entrance exams loom, his plans for seducing Rachel will draw him into a private collection of obsessional notes and observations: the eponymous Rachel Papers. WINNER OF THE SOMERSET MAUGHAM AWARD. Scurrilous, shameless and very funny. The Times Literary Supplement. Amis has brought off the feat of satirizing his contemporaries while making them both funny and, in a bizarre way, moving. Peter Ackroyd. [The Rachel Papers](#) Martin Amis, 2026-02-17 Martin Amis's first novel *The Rachel Papers* tells the story of Charles Highway and his relationship with his girlfriend in the year before going to university. Charles Highway, a bright, egotistical Oxford student and soon-to-be Great Novelist, spends the eve of his twentieth birthday reflecting on his adolescence at times stimulating, often embarrassing and never nearly as debauched as he'd have liked. Until he meets Rachel Noyes, an elusive, unattainable manic pixie mystery of a girl whom Charles quickly becomes entranced by. He meticulously draws up battle plans and strategies for how to seduce Rachel, and thus the Rachel Papers are born. Unflinchingly honest, comedically brilliant and unapologetically original. Martin Amis's first novel *The Rachel Papers* is a masterful account of the passion and fickleness of first lust and love. [The Rachel Papers](#) Martin Amis, 1975-05-01 In his uproarious first novel, Martin Amis, author of the bestselling *London Fields*, gave us one of the most noxiously believable and curiously touching adolescents ever to sniffle and lust his way through the pages of contemporary fiction. On the brink of twenty, Charles Highway preps desultorily for Oxford, cheerfully loathes his father and meticulously plots the seduction of a girl named Rachel, a girl who sorely tests the mettle of his cynicism when he finds himself falling in love with her. **The Rachel Papers** Martin Amis, 2023-11-02 WITH A NEW INTRODUCTION BY CLAIRE LOWDON Charles Highway is every mother's worst nightmare. inventive ways of approaching the novels **Martin Amis** Nick Bentley,2015 Nick Bentley offers a critical analysis to the main themes and literary techniques of Martin Amis a leading literary figure who has inspired a generation of writers with his distinctive literary style Martin Amis Brian Finney,2013-04-15 Booker shortlisted for Time s Arrow and widely known for his novels short stories essays reviews and autobiographical works Martin Amis is one of the most influential of contemporary British writers This guide to Amis s diverse and often controversial work offers an accessible introduction to the contexts and many interpretations of his texts from publication to the present an introduction to key critical texts and perspectives on Amis s life and work situated within a broader critical history cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of Martin Amis and seeking not only a guide to his works but also a way through the wealth of contextual and critical material that surrounds them **Success** Martin Amis,2010-12-23 A terrifying painfully funny Swiftian exercise in moral disgust Observer Smooth talking sensual and self deluded Gregory Riding leads an existence of formidable foppishness his days and nights a series of effortless titillating conquests and tireless sex sister employers acquaintances are but co stars among a cast of thousands to have passed through his busy bed Meanwhile Gregory s foster brother Terry has to make do with the leavings as he trawls through life in a miasma of grief burdened by an unmentionable past and the unlikelihood of ever having a good time in bed But when Success swivels her capricious gaze roles are reversed with and the Riding brothers find their lives dramatically changed An instantly recognizable voice penetrating loquacious slightly hysterical upsetting rising above the basso pseudo profundo babble of his competitors like filed fingernails scraping down glass Sunday Times Literature and the Writer ,2016-08-09 Literature and the Writer was first conceived with the hope the essays would shed light on several dimensions of the authorial craft It was the hope of the editor that the selected essays would examine not only writers choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery Moreover the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction Thus a wide variety of authors are deliberately selected to give the text depth writers of popular fiction as well as modern classics are included and contrasts are established between traditional writers and those who prefer to follow experimental trends Modernists are set against postmodernists absurdists vs realists minority ethnicities vs majority cultures and dominant genders appear in contrast to subordinated ones Clearly the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters
