Lawrence, 2016-01-31 David Herbert Richards Lawrence (11 September 1885 – 2 March 1930) was an English novelist, poet, playwright, essayist, literary critic, and painter who published as D H Lawrence. His collected works, among other things, represent an extended reflection upon the dehumanising effects of modernity and industrialisation. In them, some of the issues Lawrence explores are emotional health, vitality, spontaneity, and instinct. Lawrence's opinions earned him many enemies, and he endured official persecution, censorship, and misrepresentation of his creative work throughout the second half of his life, much of which he spent in a voluntary exile which he called his savage pilgrimage. At the time of his death, his public reputation was that of a pornographer who had wasted his considerable talents. E M Forster, in an obituary notice, challenged this widely held view, describing him as "the greatest imaginative novelist of our generation." Excerpt from Wikipedia. **The Rainbow** David Herbert Lawrence, 1950 D H Lawrence's 1915 novel *The Rainbow* is the story of three generations of the Brangwens family. While tame by today's standards, *The Rainbow* for its frank treatment of human sexuality caused Lawrence to be prosecuted on an obscenity charge in England when it was first published. Through richly personal characterizations, *The Rainbow* deals profoundly with the very nature of human relations as it explores the sexuality of Ursula Brangwen and her mother Anna Brangwen. It follows three generations of the Brangwen family, particularly focusing on the sexual dynamics of and relations between the characters. Lawrence's frank treatment of sexual desire and the power plays within relationships as a natural and even spiritual force of life, though perhaps tame by modern standards, caused *The Rainbow* to be prosecuted in an obscenity trial in late 1915, as a result of which all copies were seized and burnt. After this ban, it was unavailable in Britain for 11 years, although editions were available in the USA. *The Rainbow* was followed by a sequel in 1920, *Women in Love*. Although Lawrence conceived of the two novels as one, considering the titles *The Sisters* and *The Wedding Ring* for the work, they were published as two separate novels at the urging of his publisher. However, after the negative public reception of *The Rainbow*, Lawrence's publisher opted out of publishing the sequel. This is

the cause of the delay in the publishing of the sequel **The Rainbow** D. H.
