The Secret Life Of Sparrow Delaney By Suzanne Harper:

The Secret Life of Sparrow Delaney Suzanne Harper, 2008-05-27 How do you ignore a ghost Sparrow Delaney absolutely positively does not want to be a medium like her six older sisters her mother and her grandmother She does not want to see hear smell or talk to ghosts If she sticks to her rules and doesn't let anyone know that she can do all those things everywhere all the time Sparrow just might pass as a normal tenth grader at her new high school She makes a new best friend and meets an irritatingly appealing guy in her history class But when another boy catches her eye all Sparrow's dreams of being ordinary go up in smoke Because this boy is a dead one a persistent charming infuriating ghost who won't let her be until she agrees to help him Move On **Thank You, Teacher** Holly and Bruce Holbert, 2016-04-03 What do rock stars Nobel laureates bestselling novelists astronauts and attorneys have in common A teacher changed their lives Like them most of us can name a teacher who gave us not only good instruction but also confidence and drive But in the face of teachers being blamed for a variety of social and economic woes teachers themselves can easily wonder whether they are making a difference in students' lives When veteran teacher Bruce Holbert asked himself this question his wife Holly responded by sending letters to hundreds of people she had never met and had no reason to believe would respond asking about teachers who mattered to them She was overwhelmed by answers Thank You Teacher presents more than eighty of these up close and personal stories By a delightfully diverse range of contributors these essays are wise and witty testaments to the teachers who do what they do every day without expecting recognition but who so richly deserve it The Publishers Weekly, 2007
