## **The Toonies Invade Silicon Valley By Betty Dravis:**

*The Toonies Invade Silicon Valley* Betty Dravis, 2005-04 Beware citizens of Silicon Valley the bad Toonies are on their way But never fear Uncle Wom and the good Toonies are not far behind and they will help Jeremy Kern a young human newspaper cartoonist save the day

**The Shadow of Her Smile** Victoria Taylor Murray, 2005-04 Reading *The Shadow of Her Smile* was like slurping a long cold lemonade on a sultry summer day I couldn't devour it fast enough The story started off with a bang and grew increasingly suspenseful as Victoria Taylor Murray drew me into her exciting plot with the ease that only the best writers can achieve From Trump Tower to the Waldorf Astoria Hotel to Little Italy to NYPD and a grandmother's run down mansion she painted a New York seldom seen by outsiders I especially relished the historical vignettes of The Big Apple woven in at appropriate places in the story Although many of the supporting characters were ultra worldly obviously shallow greedy and lustful each one was unique and thoroughly fleshed out Even billionaire Forrest Gray who set the stage for this novel when he hired Corbin Douglas to find Nikki Rourke became larger than life as Murray wielded her magic pen to craft him Through all these marvelous mixed up often malevolent characters Murray captured the true essence of the city's diversity of cultures and life styles And the hero and heroine were to die for Corbin a cop turned private investigator is every woman's dream handsome strong and sexy yet kind caring and ethical while Nikki is the beautiful charming smart gutsy red haired woman who is at the center of everything Corbin hooked me right from the start but I had to wait awhile to meet Nikki The wait was worth it and she quickly won my heart by the tender loving manner in which she cared for our hero when he was injured And then there's Charlie Corbin's friend and former partner and the love of his life Bette What a joy it was to meet them Of stronger moral fiber these four characters more than made up for the indiscriminate behavior of the minor characters They became so real to me I'll think of them often in days to come The excitement was nonstop as Corbin searched for Nikki a woman in a photograph with an unforgettable smile overcoming death defying breath stealing obstacles to help her This well written fast paced story has everything believable characters realistic dialogue suspense romance and original humor When Corbin told his former partner I have a headache the size of Stephen King's Buick 8 I laughed out loud a welcome relief from the tension of the book's drama *The Shadow of Her Smile* takes you through a series of twists and turns that makes your goosebumps sprout more goosebumps as you question Who are the dead dancers Who is killing red haired women Are they after Nikki too Will Corbin find her in time or will she be the next victim What's going on with the billionaire's wife What does the chauffeur's pretty boy son have to do with it And the gangster and his hit squad Is it all connected The very talented Victoria Taylor Murray won my heart with this book I join her growing legions of fans in applauding her on penning another winner My one regret is that I didn't discover her from her very first book Betty Dravis author of *The Toonies Invade Silicon Valley*

**Just Our Best Short Stories 2005** Janet Sue Terry, 2005-05 This is a collection of short stories written by the staff and authors of Just My best Book Publishing Company and their family and friends The

short stories include nonfiction fantasy adventure romance and other subjects This book includes the following short stories  
 Little Princess medieval adventure Raven Blackwing medieval adventure The Rescue medieval adventure Pay Your Marriage  
 Dues medieval adventure Smoldering Passion medieval adventure Alisza Troy medieval adventure Rekindled Trust Intrigue A  
 Camping We Go general fiction The Perfect Solution general fiction The Book Store general fiction West Virginia Hermit  
 general fiction Terra Lemnia science fiction I Remember Love non fiction Ambush At Xoung Vin Pass general fiction Uncle  
 Hermans Harem general fiction Switching Genres The Snack general fiction Feast And Famine general fiction The Amazing  
 Sixties non fiction Poster Girl general fiction Blind Love romance Contributing authors include Janet Sue Terry Megan Blue  
 Terry Lori Martin Tom Chatterton Joe DeChristopher Rosanna Filippello Daniel Morrison Debbie Miyake Betty Dravis  
 Readers will enjoy this wonderful collection of entertaining stories      *The Scam Traders* Stanley E. Asia, 2005-09 If you walk  
 around the street expecting to find a scammer you ll never find one until the scammer makes a fool of you then you will know  
 that they exist There are hours when crime pays when stolen waters are sweet and punishment although lame will come  
 Crimes originate from the hearts of men Crime can lead to many circumstances such as murder imprisonment and death This  
 novel explains how the advance fee fraud is executed based on both the testimonies of victims and perpetrators It exposes  
 the cunning of the perpetrators and the greed of the victims The advance fee fraud is believed to have originated in West  
 Africa during the 1970s otherwise called the 419 scam after the Nigeria criminal code It has spread throughout other parts of  
 the world in spite of warnings by various security agents An average fraudster believes and understands the rule of the  
 scamming game The terrain for the game isn t a place for truth but for dupe The rule of the game is characterized by love  
 hope fear and faith The fraudsters see themselves as heroes and not criminals unless ill luck catches up with them Even then  
 they never agree that they did anything wrong      *Did Lizzie Borden Axe for It?* David Rehak, 2005 One Thursday morning  
 August 1892 in the safe and sleepy mill town of Fall River Massachusetts Andrew and Abby Borden were savagely hacked to  
 death in their home Their upstanding and respectable younger daughter Lizzie was suspected and tried for their murders but  
 was acquitted of the crime Fall River Massachusetts is a port town on Mount Hope Bay at the mouth of the Taunton River  
 The city has numerous historical buildings and tourists come to see the famous battleship USS Massachusetts from World  
 War 2 The ancient Indian name for the area is Quequechan which means falling water In 1656 the community was  
 established by settlers hailing from Plymouth Colony In 1811 the first cotton mill was established and in time the city became  
 well known for its textile mills which brought it prosperity well into the 1920s It was these mills in large part that made  
 Lizzie Borden s father Andrew a rich man by 1892 David Rehak spent eight years four years of study two years of research  
 and two more years of writing and revision in the production of this book He became intrigued with Lizzie Borden after  
 viewing an A E television biography on her in 1996 According to Mr Rehak Lizzie was an average unremarkable woman and  
 the most extraordinary criminal or criminal suspect in history She was a tiny grain of sand an absolute nobody who no one

took much notice of and if she had not been accused of murder she would have lived a low profile life and vanished from the world's memory like the flame of a candle. But after she was accused of murder she became an unforgettable symbol and legend, an absolute somebody. The debate on whether Lizzie Borden was innocent or guilty brings out passionate feelings and disagreements in every sort of person. In fact, during the trial, according to the New York Times, it was estimated that about nineteen hundred marriages ended in divorce because of the intense difference of opinion between husbands and wives that the controversy created. Included in this book are strikingly rare new and unpublished revelations about Lizzie's private life. The book also contains photographs, cartoons, original artwork, quotes, and poetry, most of which are rare and never before seen. Did Lizzie Borden take an axe and kill her parents? The divide between those who believe she did the crime and those who don't sometimes runs deep. This book reveals certain probabilities that should not be suppressed or ignored, probabilities that deserve scholarly and thoughtful consideration.

**The Toonies Invade Silicon Valley** Betty Dravis, 2005-04-07

Exciting Fantasy Adventure From journalism to adult fiction and now young adult fiction, Betty Dravis knows how to weave intriguing stories. Children all around the world will love this fun, exciting fantasy adventure. The kid in me longed to chase around Silicon Valley with the good Toonies and their humanoid friends as they raced the clock to save Orange Computer and Silicon Valley from the bad Toonies. If people could move around as easily as the Toonies leap from their world to ours, my transportation job would be much easier. Hon. Rod Diridon, Sr., Executive Director of the Mineta Transportation Institute, SJSU.

Lovable Characters Betty Dravis's *The Toonies Invade Silicon Valley* is a fun romp through the adventures of Computer Cartoon Land characters, both good and bad. The good Toonies are led by an orange-haired, bushy-browed Toonie boy named Doog. Doog sets out to help his human counterpart, Jeremy Kern, with a parental problem, but they end up saving the world instead. Kids will enjoy the colorful illustrations along with the lovable characters that fill this book. Chris Platt, author of the young adult award-winning *Willow King* books.

Unexpected Suspense An enjoyable morality fable that keeps its wisdom between the lines. The young and young at heart will enjoy this battle over Silicon Valley as a young cartoonist tries to save the day. At times it seems the bad Toonies will win, making for unexpected suspense for this kind of story. Paul Kyriazi, movie director, author of *How to Live the James Bond Lifestyle*. The First of its Kind The plot is fresh and the characters lifelike. The story will appeal to children of all ages. The setting is Silicon Valley, commonly known to many as the Computer Technology Rim. The storyline is the first of its kind, comparable to classic books such as *The Wizard of Oz* and *Peter Pan*, where children experience an adventure outside the norm and overcome obstacles or enemies. Janet Sue Terry, contemporary romance author of *Possibilities and Resolutions*.

[A Rich, Deliciously Satisfying Collection of Breakfast Recipes](#) Janet Sue Terry, 2005-08

A Rich, Deliciously Satisfying Collection of Breakfast Recipes I grew up with hot buttermilk biscuits, gravy, meat, eggs, fried potatoes, and sometimes fried apples on the breakfast table every single morning. Over the years, I acquired a valued collection of my own favorite recipes. They are a whisper from days gone by. A trip to the past when breakfast was the most

important meal of the day The first meal of the morning was a celebration of life and the gift of a new day Breakfast was a time for families to congregate and fortify one another for the hectic uncertain day that lay ahead Most of the recipes in this book are high calorie high fat recipes You can control the fat content in your food by substituting ingredients when you cook at home You have no such control over the food you eat in restaurants The following quote sums up my thoughts exactly Eat breakfast like a king lunch like a prince and dinner like a pauper Adelle Davis 1904 1974 Therefore if you are going to eat one good meal today make it breakfast A Rich Deliciously Satisfying Collection of Breakfast Recipes includes gourmet coffee International coffee Christmas coffee Irish viennese cappuccino hazelnut cafe au lait French vanilla etc creamers hot chocolate French Mayan Mexican etc and tea apricot mint orange lemon almond etc recipes Fruit drinks cider and smoothie recipes Soft drinks root beer ginger ale and a Coca Cola clone recipe soda drinks and punch recipes Quick fruit breads banana nut bread cherry bread pumpkin bread apple bread etc muffins and French toast recipes Fruit bread and mixes in a canning jar banana nut bread gingerbread zucchini bread etc recipes Jelly mint currant Apple Grape Cherry etc jam preserves marmalades and syrup recipes Pancakes blueberry cranberry buttermilk etc crepes and waffles Kentucky gingerbread buttermilk etc recipes Doughnuts yeast cake filled etc rolls cinnamon sticky buns orange swirl etc strudel and Danish recipes Coffee cakes streusel berry cakes breakfast cobblers kuchen and crumb cakes recipes Scones and bannock recipes Oatmeal rice grits and granola recipes Southern gravy red eye sausage gravy etc and biscuits buttermilk cheese raisins etc Breakfast meats ham bacon pork chops fried chicken fried squirrel fried rabbit sausage etc recipes Breakfast side dishes fried green tomatoes hash browns fried squash fried apples fried corn etc recipes Bread pudding cranberry bread pudding with fruits and whisky or rum sauces chocolate bread pudding etc recipes Egg recipes including omelets casseroles frittatas enchiladas pizzas pies quesadillas burritos stir fry strata popovers and quiches You will treasure this comprehensible breakfast cookbook for many years to come This recipe book also contains a brief history on some foods and cooking tips including making yeast breads canning homemade jellies jams marmalades preserves and conserves designing and giving gift baskets filled with homemade items such as gourmet coffee mixes homemade jelly jam marmalade preserves syrup and fruit breads baked in a jar that will last a good twelve months in the freezer I wrote the kind of cookbook I want to keep on hand in my own kitchen I hope you enjoy it as much as I will

**Sophomore Campaign** Frank Nappi, 2012-04-01 Ideal for fans of sports novels and Wisconsin novels Continues the story of Mickey Tussler that began with The Legend of Mickey Tussler the basis for the TV movie A Mile in His Shoes Follows the journey of the minor league Brewers It's 1949 and eighteen year old pitching phenomenon Mickey Tussler is back He and his team the minor league Brewers continue their journey in this sports novel In spite of Mickey's claim that he will never play baseball again after the violent end of the last season his manager and now surrogate father Arthur Murphy convinces the socially awkward autistic and emotionally fragile boy to try it again Mickey comes back and has to learn to deal with the hatred and destruction around him When a young African American

player joins the Brewers the entire team hears racial threats and is subjected to violence Mickey witnesses one violent episode firsthand Struggling to understand such hatred and ugliness and afraid of the consequences of telling anyone what he saw Mickey's field performance suffers Now the boy needs to deal with a part of human nature that he barely understands

## Reviewing **The Toonies Invade Silicon Valley By Betty Dravis**: Unlocking the Spellbinding Force of Linguistics
