

An American flag with a face. The stars and stripes of the flag are visible, but the lower half of the flag is replaced by a close-up of a human face with blue eyes and a slight smile. The face appears to be looking directly at the viewer.

THE WAY I SEE IT...

The Way I See It By Randy Petsch

L Cohen

The Way I See It By Randy Petsch:

The '80s Resurrected Randy Laist, 2023-03-08 The 1980s is remembered as a time of big hair synthetic music and microwave cookery It is also remembered as the heyday of conservative politics socioeconomic inequality and moral panics It is dichotomously remembered as either a nostalgic age of innocence or a regressive moral wasteland depending on who you ask and when But most of all it is remembered In retro fashion trends in 80s based film and television narratives and through countless rebooted movies video games superheroes and even political slogans imploring us to Make America Great Again Again More than merely a historical period the 80s has grown into a contested myth ever evolving through the critical and expressive lens of popular culture This book explores the many shapes the 80s mythos has taken across a diverse array of media Essays examine television series such as Stranger Things Cobra Kai and POSE films such as Dallas Buyers Club Summer of 84 and Chocolate Babies as well as video games pop music and toys Collectively these essays explore how representations of the 1980s influence the way we think about our past our present and our future **Press Summary -**
