Valencia By Michelle Tea:

Valencia Michelle Tea, 2005-06-03 An anarchic and unflinching cult novel charged with reflection anger and the feeling of being alive Village Voice tracing a year of love and lust in San Francisco's lesbian underground with a new foreword by Maggie Nelson Valencia is a fast paced account of one girl's search for love and high times in the dyke world of 1990s San Francisco Fleeing Tucson and her rotten ex girlfriend Michelle lands in the Mission District where queers from all over the country are arriving in search of themselves and each other An aspiring poet she hurls herself into the city's riotous underbelly stumbling through nightlife and open mics drug adventures and a string of hookups breakups and makeups As butches and besties spin in and out of Michelle's orbit she ponders the powerful force and casual cruelty of their desires and of her own all in a singular biting deadpan voice shot through with humor and heartbreak Heady beer sticky and brimming with life Valencia is a sharply observed and piercingly funny chronicle of a year lived close to the bone Now with a new foreword from Maggie Nelson this lesbian cult classic is ripe for rediscovery

Valencia Michelle Tea, 2008-04-15 The fast paced account of one girl's search for love and high times in the drama filled dyke world of San Francisco's Mission District Valencia conveys a blend of youthful urgency and apocalyptic apathy

Reading Literature and Theory at the Intersections of Queer and Class Maria Alexopoulos, Tomasz Basiuk, Susanne Hochreiter, Tijana Ristic Kern, 2024-09-25 Reading Literature and Theory at the Intersections of Queer and Class focuses on the crossover of queer and class examining a range of texts across languages and genres and spanning nearly a century This collection of chapters considers the intersection of queer and class in relation to literary aesthetics a locus in which the interaction between sexuality and class is rendered with lucidity Each chapter puts forward class and its manifestations as central to queer analysis of literary and cultural texts in historical and contemporary contexts The readings adopt Kimberl Crenshaw's intersectional paradigm by pointing to its activist as well as literary precedents and elaborations These chapters emerged from a long standing collaboration among three Central European universities whose faculty and graduate students established a joint queer literature and theory research seminar They are supplemented by a roundtable discussion in which the contributing authors and their colleagues discuss how the concepts of queer and class in theory and academic practice have informed their current and previous work Reading Literature and Theory at the Intersections of Queer and Class is intended for scholars in gender and queer studies

The Death and Life of Gentrification Japonica Brown-Saracino, 2016-01-13 A provocative account of what is gained and what is lost when a word that once narrowly referred to neighborhood change takes on a life all its own Sociologist Ruth Glass coined the term gentrification in the 1960s to mark the displacement of working class residents in London neighborhoods by the professional classes The Death and Life of Gentrification traces how the word has far outgrown Glass's meaning becoming a socially charged metaphor for cultural appropriation upscaling and the loss of authenticity In this lively and insightful book Japonica Brown Saracino traces how a concept originally intended to describe the brick and mortar transformation of neighborhoods has come to characterize transformations that have little to do with cities She describes how journalists artists filmmakers novelists and academics use gentrification as a symbolic device to mourn how everyday pleasures and forms of self expression from music to marijuana kale and tattoos entered the domain of the elite She weighs the implications of turning to gentrification as a tool to tell stories entertain audiences and communicate political messages Relying on vivid examples the book reveals how the term today expresses widespread ambivalence about rising economic inequality and unease with a variety of forms of social change This pathbreaking book forces us to think about whether the wide ranging way we use gentrification dilutes its meaning and stymies efforts to identify and resist urban displacement Drawing on everything from film and television to novels and art The Death and Life of Gentrification sheds critical light on the changing meaning of gentrification in contemporary life The book is a must read for anyone interested in gentrification and urban dynamics as well as for readers curious about attitudes about growing income inequality and the evolution and circulation of ideas

Queer Commodities G. Davidson, 2012-02-27 Queer Commodities is the first book length analysis of same sexuality and consumer capitalism in contemporary US fiction Moving beyond the critical tendencies to identify gay and lesbian subcultures as either hopelessly immersed in consumer capitalism or heroically resistant to it Guy Davidson argues that while these subcultures are necessarily commodified they also provide means of subversively negotiating aspects of life under capitalism
