Vreme Smrti Knjiga I By Dobrica Cosic:

Writing the Yugoslav Wars Dragana Obradović, 2016-01-01 In *Writing the Yugoslav Wars* Dragana Obradović analyses how the Yugoslav wars of secession helped shape the region's literary culture. Obradović argues that the crisis of the country's disintegration posed an ethical challenge to self-identified postmodernists. This book takes a transnational approach to literatures of the former Yugoslavia that have been since the 1990s studied separately in line with geopolitical divisions. This post-socialist conflict was one of the moments that reshaped postmodernism for both local and international thinkers much in the same way modernism was shaped by World War I and the advent of mechanized warfare. Saviours of the Nation? Jasna Dragović-Soso, 2002 Yugoslavia's breakup in 1991 and the wars in Croatia, Bosnia and Kosovo that followed in its wake have been widely blamed on Serbian nationalism. Most analyses have not examined this nationalism in the years before Slobodan Milošević's rise to power when its principal articulators were dissident intellectuals. This book traces the trajectory of intellectual opposition to Serbian nationalism from its origins in the 1950s to its consolidation in the 1980s, arguing that the acceptance of Milošević's undemocratic approach to the national question undermined the intellectual opposition's ability to present a convincing political alternative and was crucial in allowing the regime to continue. **Writing the Great War** Christoph Cornelissen, Arndt Weinrich, 2022-11-11 From the Treaty of Versailles to the 2018 centenary and beyond, the history of the First World War has been continually written and rewritten, studied and contested, producing a rich historiography shaped by the social and cultural circumstances of its creation. *Writing the Great War* provides a groundbreaking survey of this vast body of work, assembling contributions on a variety of national and regional historiographies from some of the most prominent scholars in the field. By analyzing perceptions of the war in contexts ranging from Nazi Germany to India's struggle for independence, this is an illuminating collective study of the complex interplay of memory and history. **Religion and the Politics of Identity in Kosovo** Gerlachus Duijzings, 2000 Kosovo is a frontier society where two Balkan nations, Albanian and Serb, as well as two religions, Islam and Christianity, clash. The tension between conflict and symbiosis lies at the core of this book. *History of the Literary Cultures of East-Central Europe* Marcel Cornis-Pope, John Neubauer, 2004-01-01 Continuing the work undertaken in Vol 1 of the *History of the Literary Cultures of East-Central Europe*, Vol 2 considers various topographic sites, multicultural cities, border areas, cross-cultural corridors, multiethnic regions that cut across national boundaries, rendering them permeable to the flow of hybrid cultural messages. By focusing on the literary cultures of specific geographical locations, this volume intends to put into practice a new type of comparative study. Traditional comparative literary studies establish transnational comparisons and contrasts but thereby reconfirm, however. Vreme smrti Dobrica Ćosić, 1990 **A Time of Death** Dobrica Ćosić, 1978 **Reach to Eternity** Dobrica Ćosić, 1980 Titoism, Self-Determination, Nationalism, Cultural Memory Gorana Ognjenović, Jasna Jozelić, 2016-06-28 This volume provides a more detailed picture which might surprise those who thought

they knew everything about Yugoslavia as well as we are hoping to inspire others to read more about this historically social experiment that against all odds actually did exist and prospered for a while in the midst of the spiders web of the global political chaos which lasts still today Contributors cover a range of topics including absolute modernity film and the preservation and creation of memory through clothing among others

The War in Croatia and Bosnia-Herzegovina

1991-1995 Branka Magas,Ivo Zanic,2013-09-05 This work provides an understanding of the wars in Croatia and Bosnia Herzegovina These two interdependent wars were the greatest armed conflicts in Europe in the second half of the 20th century This work provides an analysis of their successes and failures

Genocide Before the Holocaust Cathie Carmichael,2009 This innovative and ambitious work is a systematic examination of the many instances of genocide that took place in the late nineteenth and early twentieth century centuries that were precursors to the Holocaust There is an appalling symmetry to the many instances of genocide that the late nineteenth and early twentieth century world witnessed In the wake of the break up of the old Hapsburg Ottoman and Romanov empires minority populations throughout those lands were persecuted expelled and eliminated The reason for the deplorable decimations of communities Jews in Imperial Russia and Ukraine Ottoman Assyrians Armenians and Muslims from the Caucasus and Balkans was Cathie Carmichael contends located in the very roots of the new nation states arising from the imperial rubble The question of who should be included in the nation and which groups were now to be deemed suspect or alien was one that preoccupied and divided Europe long before the Holocaust Examining all the major eliminations of communities in Europe up until 1941 Carmichael shows how hotbeds of nationalism racism and developmentalism resulted in devastating manifestations of genocidal ideology Dramatic perceptive and poignant this is the story of disappearing civilizations precursors to one of humanity s worst atrocities and part of the legacy of genocide in the modern world

A Cultural History of Serbia

David A. Norris,2024-03-05 This volume focuses on Serbia s need to manage change while preserving community identities a narrative that avoids the common depiction of Serbian culture as a hostile struggle between modernizers supporting foreign models and traditionalists advocating forms of national cultural patrimony Traditions only function if they are allowed to bend to the necessary modifications demanded by a community s changing historical circumstances Tradition and change are two sides of the same coin which Serbia in its many different incarnations has experienced over the centuries protecting its national heritage while borrowing and adapting intellectual and other trends from Byzantine Ottoman and Western sources Outside influences have been imposed as a direct result of foreign rule or through more friendly channels of communication leading to a complex relationship between autochthonous and alien elements in Serbian society and culture This book argues that the division between the national and international frameworks has often been a false dichotomy with outside features embedded in domestic symbolic capital and Serbian culture simultaneously determined on local national regional and global levels David A Norris s approach offers a new perspective to students academics and general readers interested in the history of Serbia s

participation in the broad networks of cultural exchange *After Memory* Matthias Schwartz, Nina Weller, Heike Winkel, 2021-06-08 Even seventy five years after the end of World War II the commemorative cultures surrounding the War and the Holocaust in Central Eastern and South Eastern Europe are anything but fixed The fierce debates on how to deal with the past among the newly constituted nation states in these regions have already received much attention by scholars in cultural and memory studies The present volume posits that literature as a medium can help us understand the shifting attitudes towards World War II and the Holocaust in post Communist Europe in recent years These shifts point to new commemorative cultures shaping up after memory Contemporary literary representations of World War II and the Holocaust in Eastern Europe do not merely extend or replace older practices of remembrance and testimony but reflect on these now defunct or superseded narratives New narratives of remembrance are conditioned by a fundamentally new social and political context one that emerged from the devaluation of socialist commemorative rituals and as a response to the loss of private and family memory narratives The volume offers insights into the diverse literatures of Eastern Europe and their ways of depicting the area s contested heritage **Proximity and Distance** Romain Fathi, Emily Robertson, 2020-04-28 The global magnitude of World War I has meant that proximity and distance were highly influential in the ways the conflict was conducted and how it was experienced at tactical political and emotional levels This book explores how participants and observers in World War I negotiated the temporal and spatial challenges of the conflict International in scope it investigates how technology mass media elite diplomacy and imperial networks interacted in conjunction with proximity and distance The authors canvass a range of approaches to the conflict from cultural history to social political and military history Proximity and distance were contingencies that participants had to continually adapt to This book documents the ways in which these adaptations were approached World Literature Today ,1995 **Geschichte Serbiens** Holm Sundhaussen, 2007 Angaben zur beteiligten Person Sundhaussen Prof Holm Sundhaussen war nach dem Studium in M nchen und der Habilitation in G ttingen seit 1988 Professor f r S dosteurop ische Geschichte am Osteuropa Institut der Freien Universit t Berlin und seit 1998 Ko Direktor des Berliner Kollegs f r vergleichende Geschichte Europas Er war Mit Herausgeber und Beiratsmitglied verschiedener Buchreihen und Zeitschriften sowie Verfasser einer Vielzahl von Arbeiten zur Geschichte S dosteuropas insbesondere des ehemals jugoslawischen Raums im 19 und 20 Jahrhundert darunter einer Geschichte Jugoslawiens 1918 1980 Stuttgart 1982 und einer Historischen Statistik Serbiens 1834 1914 Mit europ ischen Vergleichsdaten M nchen 1989 *Yugoslav Literature in English* Vasa D.
