THEMATIC CONCERNS IN THE NOVELS OF R. K. NARAYAN Dr. Nawkhare Nitin Ramchandra, 2021-05-06 The book is basically a thematic study of R K Narayan's novels and a reference to his short stories has been made only in passing. The major themes that emerge from Narayan's novels are love and marriage or man woman relationship family relationships under scoring the father son relationship socio cultural and political scene of the country during the last fifty years and the Hindu ethos highlighting renunciations as an ideal of the Hindu way of life. For the first time the major themes of Narayan's novels have been clearly worked out and the identity of Malgudi has been convincingly established by the author **Hindu Nationalism and the Language of Politics in Late Colonial India** William Gould, 2004-04-15 In this book William Gould explores what is arguably one of the most important and controversial themes in twentieth century Indian history and politics the nature of Hindu nationalism as an ideology and political language. Rather than concentrating on the main institutions of the Hindu Right in India as other studies have done the author uses a variety of historical sources to analyse how Hindu nationalism affected the supposedly secularist Congress in the key state of Uttar Pradesh. In this way the author offers an alternative assessment of how these languages and ideologies transformed the relationship between Congress and north Indian Muslims. The book makes a major contribution to historical analyses of the critical last two decades before Partition and Independence in 1947 which will be of value to scholars interested in historical and contemporary Hindu nationalism and to students researching the final stages of colonial power in India **The Indian English Novel** Priyamvada Gopal, 2009 The Oxford Studies in Postcolonial Literatures series offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English. It is often claimed that unlike the British novel or the novel in indigenous Indian languages Anglophone fiction in India has no genealogy of its own. Interrogating this received idea Priyamvada Gopal shows how the English language or Anglophone Indian novel is a heterogeneous body of fiction in which certain dominant trends and recurrent themes are nevertheless discernible. It is a genre that has been distinguished from its inception by a preoccupation with both history and nation as these come together to shape what scholars have termed the idea of India. Structured around themes such as Gandhi and Fiction The Bombay Novel and The Novel of Partition this study traces lines of influence across significant literary works and situates individual writers and texts in their historical context. Its emergence out of the colonial encounter and nation formation has impelled the Anglophone novel to return repeatedly to the question What is India. In the most significant works of Anglophone fiction India emerges not just as a theme but as a point of debate reflection and contestation. Writers whose works are considered in their

context include Rabindranath Tagore Mulk Raj Anand RK Narayan Salman Rushdie Nayantara Sahgal Amitav Ghosh Arundhati Roy and Vikram Seth *R.K. Narayan's Fictional World of "Malgudi": An Overview on Postcolonialism* Dr. Afsar Nawaboddin Shaikh, 2018-05 English language was transplanted in India by the British rulers who ruled country more than 150 years People believed that English is a language of Britishers and hence it must go with them But to learn English language does not mean that people would evolve a slave mentality In the present scenario English language with its great literary heritage is no longer a language of particular country or a race It has become global lingua franca It is a medium of an international mutual contact among the natives of all over the world It has thrown open a vast panorama of world wide scientific literary cultural and political world of knowledge **R.K.
