Stine's particular brand of humor tinged horror One element that was sure to catch the attention of little eyes everywhere was striking cover art and boy did they find it The imagery provided by the covers of the Goosebumps series is part and parcel to the 90s Kid zeitgeist helping to create a visual brand for R.L. Stine's smash hit horror series The covers helped set the tone for the numerous adaptations of the series including a television series a theatre experience and more recently blockbuster films **Words on Cassette, 2002** R.R.
