What do you do when the whole world breaks Like when you make it through a plague with the woman you've loved for way more than half your septuagenarian life only to watch her die leaving you alone And then just weeks later the world around you descends into relentless dark and cold Besieged desolate Hester is too numb to know what to do And even though she's lucky to have the means to endure for quite a while she's tempted really tempted to just give it up What after all is she enduring for But giving up will have to wait when she stumbles upon people who introduce her to the first rule of survival Don't try to go it alone if you don't have to **Omnipotence Enough** Sophia Kell Hagin,2017-10-17
