Melancholy Sprache Deutsch Abstract In a review for the Washington Post Ron Charles describes Eowyn Ivey's first novel
The Snow Child as a captivating mix of melancholy and whimsy Charles but what exactly qualifies it as a representative of
melancholic literature To answer this question I will start by looking at what melancholy has been defined as throughout the
centuries which means looking at the different theories of its causes the symptoms and also possible cures After having done
so I will examine Ivey's text in close comparison to these results and identify the commonalities along with the differences In
the process I will go into detail by analyzing the different characters of the novel and their individual state of mind as well as
the symbolism of the text in order to clarify how The Snow Child as a whole can be seen as a prime example of modern
melancholy in literature **Snow Child** Eowyn Ivey, 2012 Debut novelist Eowyn Ivey's experience living in the Alaskan
