The Line J. D. Horn, 2014 To the uninitiated Savannah shows only her bright face and genteel manner Those who know her well though can see beyond her colonial trappings and small city charm to a world where witchcraft is respected Hoodoo is feared and spirits linger Mercy Taylor is all too familiar with the supernatural side of Savannah being a member of the most powerful family of witches in the South Despite being powerless herself of course Having grown up without magic of her own in the shadow of her talented and charismatic twin sister Mercy has always thought herself content But when a series of mishaps culminating in the death of the Taylor matriarch leaves a vacuum in the mystical underpinnings of Savannah she finds herself thrust into a mystery that could shake her family apart and unleash a darkness the line of Taylor witches has been keeping at bay for generations
