Orlov,2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit

instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus Divine Scapegoats Andrei A. Orlov,2015-02-10 Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts Divine Scapegoats is a wide ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptical accounts In these materials antagonists often mirror features of angelic figures and even those of the Deity himself an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality Andrei A Orlov examines the sacerdotal messianic and creational aspects of this mimetic imagery focusing primarily on two texts from the Slavonic pseudepigrapha 2 Enoch and the Apocalypse of Abraham These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism The Yom Kippur ritual in the Apocalypse of Abraham the divine light and darkness of 2 Enoch and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov s consideration Literary Market Place 1988 R.R.
