Literature and the Child James Holt McGavran,James Holt McGavran,1998-04 The Romantic myth of childhood as a transhistorical holy time of innocence and spirituality uncorrupted by the adult world has been subjected in recent years to increasingly serious interrogation Was there ever really a time when mythic ideals were simple pure and uncomplicated The contributors to this book contend although in widely differing ways and not always approvingly that our culture is indeed still pervaded in this postmodern moment of the very late twentieth century by the Romantic conception of childhood which first emerged two hundred years ago In the wake of the French Revolution and the Industrial Revolution western Europe experienced another fin de siècle characterized by overwhelming material and institutional change and instability By historicizing the specific political social and economic conflicts at work within the notion of Romantic childhood the essayists in *Literature and the Child* show us how little these forces have changed over time and how enriching and empowering they can still be for children and their parents In the first section *Romanticism Continued and Contested* Alan Richardson and Mitzi Myers question the origins and ends of Romantic childhood In *Romantic Ironies Postmodern Texts* Dieter Petzold Richard Flynn and James McGavran argue that postmodern texts for both children and adults perpetuate the Romantic complexities of childhood Next in *The Commerce of Children's Books* Anne Lundin and Paula Connolly study the production and marketing of children's classics Finally in *Romantic Ideas in Cultural Confrontations* William Scheick and Teya Rosenberg investigate interactions of Romantic myths with those of other cultural systems

Scepticism and Hope in Twentieth Century Fantasy Literature Kath Filmer-Davies,1992 Religious discourse has become alien to the secular and skeptical western societies of the twentieth century There is real discomfort when religious discourse appears either in the popular press or in society But even in a secular society there is still a psychological need one might even use the stronger word will if not to believe then at least to hope Dr Filmer states this need is met in the literature of fantasy

Neverending Story ,1985 **The Transcendent Vision of Mythopoeic Fantasy** David S. Hogsette,2022-08-04 An ever expanding critical library on fantasy fiction requires an analysis of why the genre is so ubiquitous enduring and beloved This work analyzes the mythic elements in foundational fantasy texts arguing that mythopoeic fantasy reveals timeless truths that link human cultures past and present Through close readings of works like

Phantastes The King of Elfland's Daughter The Fellowship of the Ring The Lion the Witch and the Wardrobe A Wizard of Earthsea The Neverending Story A Wrinkle in Time and Out of the Silent Planet this book explores how mythopoeic fantasy speaks to the deepest concerns of the human heart It investigates the genre's use of an imagination that is sometimes atrophied by the demands of contemporary life and explores how fantasy provides restoration consolation and hope within a cultural context that too often decries such ideas Each chapter focuses on a representative text providing author background and engaging relevant scholarship on a variety of relevant thematic issues Offering new insights on these classic texts by drawing upon post secular critical approaches this work is suitable for both new and seasoned students of fantasy

Open-Hearted People, Soul-Connected Church Tom Bennardo, 2025-04-08 Ask most anyone and they would say they desire honest authentic real relationships Yet few of us experience the soul level connection we long for with other human beings let alone God Fear and pride drive us to mask our truest selves leaving us perpetually disconnected hidden and lonely God made us for something profoundly better an open hearted courageous honesty that liberates us from a life of guardedness and self protection and has the power to radically transform our approach to Christian community In fact it's those things about ourselves we're most afraid to reveal that lead to the kind of love and acceptance we yearn for This book is your call to embrace and practice heart level honesty and authenticity in this age of artificiality As you learn to engage your world with your soul wide open you'll discover deeper connections with yourself others and God and open avenues for other lonely and disconnected souls to join you there
