off a break up with his latest friend with benefits the last thing Aidan Fitzgerald needs is a family hassle about his bachelor status But after standing up as godfather for his great nephew Mason that s just what he gets at the Christening Party Escaping the wrath of his father and sisters he wants nothing more than to get to the company Christmas party There he knows he can knock back a few stiff drinks and find some new no strings attached girl to take home for the night The last thing Emma Harrison wants is to attend another party least of all one at work After throwing the annual life celebration for the anniversary of her fiancée s death with close friends she s finally gotten the courage to take matters into her own hands and become a mother Convincing her slightly inebriated best friend Connor to be her sperm donor was a lot easier than she thought and all that s left now is to start the process But at her best friend and work colleague Casey s insistence she decides to make an appearance at the company Christmas party for her new boss s sake Neither Aidan nor Emma could imagine what fate had in store for them at the party The Predicament Unlike her best friend Emma Fitzgerald Casey Rossi had never been overly maternal She much preferred parties with Patron to Pampers and pacifiers Most of all she enjoyed a healthy sex life with her husband Nate But all that changed with the birth of their daughter While motherhood is a thrilling new adventure and her love for Nate grows even stronger seeing him be a wonderful father Casey can t ignore how stagnant things have become between her once steamy sheets Between her exhaustion and Nate s schedule at the hospital there s little time or energy for sex She can deal with sporting spit up stained clothes and a few sleepless nights but she can t abide losing the white hot connection with her hubs No matter what it takes Casey is determined to resuscitate her flat lining sex life She starts out seeking the advice of her friends Emma and Megan But she s desperate enough to try anything that she even solicits the advice of reformed manwhore Aidan Fitzgerald which turns into a fiasco of epic proportions Will any of Casey s intentions be successful at reigniting her lost bedroom heat or will they fail and cause matters to fizzle even worse It s one hell of a predicament [The Proposal](#) Katie Ashley,2013-01-18 Aidan struggles to win back Emma s heart as a new man enters her life In the weeks following Aidan s betrayal Emma has tried her best to move on Ignoring his countless texts voice mails and flowers she isn t sure she wants to be won back by him

Advocate and Family Guardian ,1865 **Endless Holocausts** David Michael Smith,2023-01-01 An argument against the myth of American exceptionalism Endless Holocausts Mass Death in the History of the United States Empire helps us to come to terms with what we have long suspected the rise of the U S Empire has relied upon an almost unimaginable loss of life from its inception during the European colonial period to the present And yet in the face of a series of endless holocausts at home and abroad the doctrine of American exceptionalism has plagued the globe for over a century However much the ruling class insists on U S superiority we find ourselves in the midst of a sea change Perpetual wars deteriorating economic conditions the resurgence of white supremacy and the rise of the Far Right have led millions of people to abandon their illusions about this country Never before have so many people rejected or questioned traditional platitudes about the United States In Endless Holocausts author David

Michael Smith demolishes the myth of exceptionalism by demonstrating that manifold forms of mass death far from being unfortunate exceptions to an otherwise benign historical record have been indispensable in the rise of the wealthiest and most powerful imperium in the history of the world At the same time Smith points to an extraordinary history of resistance by Indigenous peoples people of African descent people in other nations brutalized by U S imperialism workers and democratic minded people around the world determined to fight for common dignity and the sake of the greater good *Monterey Life* ,1981 **City Record** Boston (Mass.),1918 *The Thompson Red Book on Advertising* ,1899 *Current Law Index* ,2007

The Good Citizen JoAnne Myers,2019-10-21 Using applied political theory JoAnne Myers presents five markers by which citizens become second class citizens property productivity participation patriotism and reproduction Citizenship is a highly contested status since it grants members political rights and responsibilities It is contextualized by cultural political historical economic situational and place In the United States we think of citizenship in principle as democratic but citizenship is not just a binary status norms policies and laws can mark some citizens as other In *The Good Citizen The Markers of Privilege in America* Myers argues that being marked as not having or achieving these markers is how citizenship is controlled and regulated To illustrate this argument each chapter begins with a practical question or myth to ease the reader into the marker being examined She later articulates the ways in which law and norms and biopower regulates and controls citizens in three policy areas Myers moves beyond theories of citizen marginalization based on identity politics and intersectionality to provide a new understanding of citizenship practice *The Good Citizen* will be of interest to scholars and researchers of politics sociology or legal studies of citizenship and anyone concerned with distributive justice *East West* ,1978-07
