society under the prerevolutionary regime limited revolutionary options Sa adah focuses on how this relationship created a politics of exclusion in France while allowing a politics of transaction in England and America Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 American Poland-China Record American Poland-China Record
